FISHING QUESTIONNAIRE**

***East Carolina University  
Human Dimensions of Marine and Coastal Ecosystems  
Institute for Coastal Science and Policy  
Greenville, NC***

*Note: The text in the shaded boxes below will not be included in the survey (the visitors will not read this as a part of the survey process). This text is used to annotate the questions in response to Part A question 2 of the PRA Supporting Statement*

***In the following questions, please tell us about your use history of Biscayne National Park.***

***[Park Use History] – in this section we would like to understand how people use BISC and how those use levels have changed over time. A map will be provided that will depict the geographical boundaries of BISC. The respondent will be asked to refer to the map to answer Q1; 26-28***

1. **Please look at the enclosed map and examine the boundaries of Biscayne National Park. On your most recent trip to the park, were you aware you were entering Biscayne National Park?**
  - 1 Yes
  - 2 No
  
2. **In which year did you make your first visit to Biscayne National Park?**  
\_\_\_\_ Year
  
3. **Over the past twelve months, how many visits have you made to Biscayne National Park?**  
\_\_\_\_ Number of Visits
  
4. **On your most recent visit to Biscayne National Park, how many people, including yourself, were in your party?**  
\_\_\_\_ Number of People
  
5. **On the day of your most recent visit to Biscayne National Park, how many miles did you travel to the marina/dock/boat ramp?**  
\_\_\_\_ Miles
  
6. **Since your first visit to Biscayne National Park, how has your annual visitation rate to Biscayne National Park changed over time? (Please circle one response)**
  - 1 Far fewer visits
  - 2 Fewer visits
  - 3 Remained about the same
  - 4 More visits
  - 5 Many more visits
  - 6 This is my first visit to Biscayne National Park
  
7. **How familiar are you with the Biscayne National Park Boundaries?**
  - 1 Not at all familiar
  - 2 Somewhat familiar
  - 3 Moderately familiar
  - 4 Very familiar
  - 5 Extremely familiar

*[Activity Information and History] – in this section we would like to understand the level of participation in fishing and motivations for fishing as an overall activity. Specialization theory is incorporated into these questions to allow the respondent population to be segmented into meaningful subgroups for analysis. The exact wording for Questions 14-18 was used in an OMB approved, NOAA sponsored survey effort in the Florida Keys in 2008 (OMB # 0648-0572)*

***In the following questions, please tell us about your saltwater fishing experience, in general.***

**8. What skill level angler would you consider yourself to be? (Please circle one).**

- 1 Beginner
- 2 Novice
- 3 Intermediate
- 4 Advanced
- 5 Expert

**9. If you had to replace the fishing equipment that you currently own with similar equipment of similar value, how much would it cost to replace? (Include only equipment that is directly used during saltwater fishing; exclude supplemental items like boats, trailers, etc.)**

\$\_\_\_\_\_ Amount to replace saltwater fishing equipment

**10. Over the past twelve months, how many days did you participate in saltwater fishing, in any location?**

\_\_\_\_\_ Number of Days

**11. Of all of the recreational activities you participate in, overall, what percentage of your recreation time during the past 12 months did you spend saltwater fishing?**

Percent of time saltwater fishing \_\_\_\_\_%

**12. How many years have you been fishing in saltwater?**

\_\_\_\_\_ Years

**13. Below is a list of seven factors that can contribute to a successful fishing experience. Please rank the factors in order of importance (1 being the most important, 7 being the least important). If an item is not important at all, please enter "0".**

- | Rank  | Factor  |
|-------|---|
| _____ | Size of fish caught                                       |
| _____ | Number of fish caught                                     |
| _____ | Type/species of fish caught                               |
| _____ | Number of legal sized fish you brought home               |
| _____ | Number of other fishermen encountered while fishing       |
| _____ | Boat ramp/launching conditions (degree of crowding, etc.) |
| _____ | Other (Specify:_____)                                     |

**14. Below is a list of reasons why people fish in saltwater in general. Please circle the number that indicates how important each item is to you as a reason for going saltwater fishing. (Please circle one number for each of the following items)**

25. Is there sufficient information about the areas in Biscayne National Park about where you can fish?

- 1 Yes
- 2 No

*In this section, we would like to know more about the locations where you typically fish in Biscayne National Park in which you fish. Please use the enclosed map of Biscayne National Park when answering these questions.*

26. Over the past twelve months, how many days did you fish in each of the following zones?

- Zone A \_\_\_\_\_ # of Days
- Zone B \_\_\_\_\_ # of Days
- Zone C \_\_\_\_\_ # of Days
- Zone D \_\_\_\_\_ # of Days

27. Which zone is your most preferable fishing location?

\_\_\_\_\_ Zone

28. If you could not fish in your preferred area, are there any other zones in Biscayne National Park that offer a similar fishing experience?

- 1 Yes, If Yes, which zone(s) \_\_\_\_\_
- 2 No, If No, why not? \_\_\_\_\_

29. Consider all of the days you fished in Biscayne National Park in the past twelve months. Please rate your satisfaction level with these days of fishing, by zone. If you did not use a zone in the past twelve months, please select "not applicable"(n/a).

		Not at all satisfied	Slightly satisfied	Moderately satisfied	Very satisfied	Extremely satisfied	Not applicable

d.	Zone D.....	1	2	3	4	5	n/a

*[Crowding and visitor behavior norms] – in this section we would like to understand the level of crowding that is acceptable, as well as types of acceptable behavior during a visit to BISC. Normative theory is incorporated into these questions to allow acceptability analysis to be conducted. Questions 30-33 and 36-37 are replicates of questions used on other survey instruments in the Florida Keys. Maintaining the same language will ensure comparability across data collections.*

***In the following questions you will be presented with several saltwater fishing scenarios. Your responses should be based on a typical saltwater fishing trip to your most preferred zone (from Question 27, page 7) in Biscayne National Park.***

**30. During a trip to your most preferred zone (from Question 27, above) in Biscayne National Park, what is the maximum number of each of the following you find acceptable to see at any one moment?**

- a. maximum number of private fishing boats ..... \_\_\_\_ boats
- b. maximum number of commercial fishing boats ..... \_\_\_\_ boats
- c. maximum number of dive/snorkel boats (private or public).... \_\_\_\_ boats

**31. During your time actively saltwater fishing in Biscayne National Park, how acceptable is it for you to see the following number of recreational fishing boats at any one time while actively fishing? (Please circle one number for each of the following items).**

	<i>Extremely unacceptable</i>	<i>Moderately unacceptable</i>	<i>Slightly unacceptable</i>	<i>Not Sure</i>	<i>Slightly acceptable</i>	<i>Moderately acceptable</i>	<i>Extremely acceptable</i>
a. Zero recreational fishing boats.....	1	2	3	4	5	6	7
b. 5 recreational fishing boats.....	1	2	3	4	5	6	7
c. 10 recreational fishing boats.....	1	2	3	4	5	6	7
d. 15 recreational fishing boats.....	1	2	3	4	5	6	7
e. 20 recreational fishing boats.....	1	2	3	4	5	6	7
f. 25 recreational fishing boats.....	1	2	3	4	5	6	7
g. More than 25 recreational fishing boats.....	1	2	3	4	5	6	7

**32. During your time actively saltwater fishing in Biscayne National Park, how acceptable it is for you to see the following number of commercial fishing boats at any one time while actively fishing? (Please circle one number for each of the following items).**

	<i>Extremely unacceptable</i>	<i>Moderately unacceptable</i>	<i>Slightly unacceptable</i>	<i>Not Sure</i>	<i>Slightly acceptable</i>	<i>Moderately acceptable</i>	<i>Extremely acceptable</i>
a. Zero commercial fishing boats.....	1	2	3	4	5	6	7
b. 5 commercial fishing boats.....	1	2	3	4	5	6	7
c. 10 commercial fishing boats.....	1	2	3	4	5	6	7
d. 15 commercial fishing boats.....	1	2	3	4	5	6	7
e. 20 commercial fishing boats.....	1	2	3	4	5	6	7
f. 25 commercial fishing boats.....	1	2	3	4	5	6	7
g. More than 25 commercial fishing boats.....	1	2	3	4	5	6	7

33. During your time actively saltwater fishing in Biscayne National Park, how acceptable is it for you to see the following number of dive/snorkel boats at any one time while actively fishing? (Please circle one number for each of the following items).

	<i>Extremely unacceptable</i>	<i>Moderately unacceptable</i>	<i>Slightly unacceptable</i>	<i>Not Sure</i>	<i>Slightly acceptable</i>	<i>Moderately acceptable</i>	<i>Extremely acceptable</i>
a. Zero dive/snorkel boats.....	1	2	3	4	5	6	7

f. 25 dive/snorkel boats.....	1	2	3	4	5	6	7
g. More than 25 dive/snorkel boats.....	1	2	3	4	5	6	7

34. Please indicate the extent to which you believe all saltwater anglers have an obligation to either do or not do the following while fishing.

	<i>Strong obligation to never do</i>	<i>Moderate obligation to not do</i>	<i>Slight obligation to not do</i>	<i>No obligation either way</i>	<i>Slight obligation to do</i>	<i>Moderate obligation to do</i>	<i>Strong obligation to always do</i>
a. Contact coral reef with their fishing gear .....	1	2	3	4	5	6	7
b. Motor boats in shallow reef areas .....	1	2	3	4	5	6	7
c. Feed fish (includes chumming) .....	1	2	3	4	5	6	7
d. Retrieve floating garbage .....	1	2	3	4	5	6	7
e. Anchor on a reef.....	1	2	3	4	5	6	7
f. Motor boats at least 100 feet from dive flags.....	1	2	3	4	5	6	7
g. Throw back fish caught outside legal size limits .....	1	2	3	4	5	6	7
h. Keep fish caught in excess of bag limits.....	1	2	3	4	5	6	7
i. Motor close to fishing lines of other boats .....	1	2	3	4	5	6	7
j. Take fish or shellfish during a closed season .....	1	2	3	4	5	6	7
k. Take fish or shellfish from designated no take zones...	1	2	3	4	5	6	7
l. Venting the swim bladder on bottom fish.....	1	2	3	4	5	6	7
m. Use circle hooks.....	1	2	3	4	5	6	7
n. Not contribute to floating debris.....	1	2	3	4	5	6	7

35. Imagine that you did the following while fishing and others saw you. How embarrassed would you feel?

	Not at all embarrassed	Almost no embarrassment	Slightly embarrassed	Somewhat embarrassed	Moderately embarrassed	Very embarrassed	Extremely embarrassed
a. Contacted coral reef with their fishing gear.....	1	2	3	4	5	6	7

*In the following section, we are interested in learning more about your most recent visit to Biscayne National Park during which you went saltwater fishing. Please think of that experience while answering each question below.*

36. On your **most recent** saltwater fishing trip in Biscayne National Park, about how many other boats did you **expect** to see at **any one moment** while you were actively fishing.

\_\_\_\_ Number of fishing boats  I didn't know what to expect

\_\_\_\_ Number of dive/snorkel boats  I didn't know what to expect

37. On your most recent saltwater fishing trip in the Biscayne National Park, about how many other boats do you remember actually seeing at any one moment while you were actively fishing?

\_\_\_\_ Number of fishing boats

\_\_\_\_ Number of dive/snorkel boats

38. On the scale below, please indicate how crowded you felt while actively fishing during your most recent trip to Biscayne National Park. (Circle one number on the scale).

1	2	3	4	5	6	7	8	9
Not at all Crowded		Slightly Crowded		Moderately Crowded			Extremely Crowded	

*[Performance/satisfaction, expectations] – in this section we would like to understand the satisfaction with respondents' experience in BISC. Importance/satisfaction theory is incorporated into these questions to allow importance-performance analysis to be conducted.*

**39. How important was it to you to do each of the following on your most recent trip to Biscayne National Park?**

	Not at all important	Slightly important	Moderately important	Very important	Extremely important
a. To experience easy fishing (catch) conditions .....	1	2	3	4	5
b. To catch large fish .....	1	2	3	4	5
c. To catch a large number of fish .....	1	2	3	4	5
d. To catch a certain species of fish .....	1	2	3	4	5
e. To experience natural surroundings .....	1	2	3	4	5
f. To develop my skills.....	1	2	3	4	5
g. To experience solitude.....	1	2	3	4	5
h. To interact with nature.....	1	2	3	4	5
i. To relax .....	1	2	3	4	5

j. Spending time with friends .....	1	2	3	4	5
k. Spending time with family.....	1	2	3	4	5
l. Experiencing adventure.....	1	2	3	4	5

**42. On your most recent fishing trip to Biscayne National Park, to what extent did your actual catch meet your expectations for how many fish you caught?**

- 1 Far below my expectations
- 2 Below my expectations
- 3 Met my expectations
- 4 Above my expectations
- 5 Far above my expectations

*[Perceptions of resource conditions] – in this section we would like to understand knowledge, attitudes and perceptions of environmental conditions within BISC. Attribution theory is incorporated into these questions to better understand conflict dynamics*

**43. Please indicate the extent to which you agree or disagree with the following statements about fish populations.**

	<i>Strongly disagree</i>	<i>Slightly disagree</i>	<i>Neutral</i>	<i>Slightly agree</i>	<i>Strongly agree</i>
a. Fish populations in Biscayne National park are able to easily recover from any impacts from <u>diving/snorkeling</u> without any long-term damage .....	1	2	3	4	5
b. Fish populations in Biscayne National Park are able to easily recover from any impacts from <u>commercial fishing</u> without any long-term damage .....	1	2	3	4	5
c. Fish populations in Biscayne National Park are able to easily recover from any impacts from <u>recreational fishing</u> without any long-term damage .....	1	2	3	4	5
