

• **Regulation:** 24 CFR 983.51.
Project/Activity: Walworth County Housing Authority (WCHA), Walworth County, WI.

Nature of Requirement: This regulation requires competitive selection of owner proposals for project-based voucher (PBV) assistance unless the units were competitively selected under a similar competitive process for local, state or federal funds.

Granted By: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: February 7, 2011.

Reason Waived: Hartwell Apartments serves single, disabled individuals who were chronically homeless. The project was funded under the Continuum of Care (COC) Homeless Assistance Program; however, in 2008 no funds could be requested under the COC for leasing or operations which greatly impacted the fiscal health of the building. A waiver was granted so that rental assistance could be funded through the PBV program for this unique project with its vulnerable population.
