This inspection certificate does not relieve any person from compliance with any applicable State, county or local ordinance. Receipt and posting of this certificate of occupancy does not relieve the persons who own or control this facility or property from the responsibility of ensuring that such facility or property meets the applicable State and Federal safety and health standards. Once such facility or property is occupied, such person shall supervise and continually maintain such facility or property to ensure that it remains in compliance with the applicable safety and health standards.

Public Burden Statement

According to the Paperwork Reduction Act of 1995, no person is required to respond to this collection of information unless it displays a currently valid OMB control number. Public reporting burden for this collection of information is estimated to average 4 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information, and maintaining the records. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Administrator, Wage and Hour Division, Room S-3502, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

Pursuant to 29 C.F.R. § 500.135, prior to occupancy it is mandatory for any person or organization which owns or controls a facility or real property to be used for housing a migrant agricultural worker to obtain certification from a State or local health authority or other appropriate agency, including a federal agency, that the facility or real property meets applicable safety and health standards. A copy of the certification must be posted at the housing site prior to occupancy.

DO NOT SEND THE COMPLETED FORM TO THIS OFFICE.
