The data is being collected under OMB clearance number 1290-0002 (expiration date 5/31/2011). Without this currently approved number, we could not collect the data.

Persons are not required to respond to a collection of information unless it displays a currently valid OMB control number. We estimate it will take approximately seven minutes to register initially for the Small Business Information System and two minutes to login and update the data. By providing this data, you will help OSDBU maintain accurate and useful information on your organization. Your provision of the requested data is completely voluntary.
