

Justification for Change
OMB Control No. 1545-1791
Tax Check Waiver

Forms 12339 and 12339-B have been updated with minor revisions, but 12339-A is now obsolete and has been replaced with Form 13775, which received clearance in October 2010.

This change removes Form 12339-A from this collection; with no change to the previously approved burden hours.
