Read these instructions carefully to properly complete this form. If you need more space to complete an answer, use a separate sheet of paper. Write your name and Alien Registration Number (A-Number), if any, at the top of each sheet of paper and indicate the part and number of the item to which the answer refers. What Is the Purpose of Form I-829?

This form is for a conditional permanent resident who obtained such status through entrepreneurship to petition to the U.S. Citizenship and Immigration Services (USCIS) to remove the conditions on his or her residence.

When Should I Use Form I-829?

You must file this petition during the 90 days immediately before the second anniversary of the date that you obtained conditional permanent resident status. This is the date your conditional permanent residence expires.

Effect of Filing

Filing this petition extends your conditional permanent residence for six months. You will receive a filing receipt that you should carry with your Permanent Resident Card. If you travel outside the United States during this period, you may present your Permanent Resident Card and the filing receipt in order to be readmitted.

Effect of Not Filing

If this petition is not filed, you will automatically lose your permanent resident status as of the second anniversary of the date that you were granted conditional status. As a result, you will become removable from the United States. If your failure to file was for good cause and due to extenuating circumstances, you may file your petition late with a written explanation and request that USCIS excuse the late filing.

Who May File Form I-829?

If you were granted conditional permanent resident status through entrepreneurship, use this form to petition for the removal of those conditions. You may include your conditional permanent resident spouse and children in your petition, or they may file separately subsequent to your petition. If filing subsequently, attach a copy of Form I-797, Notice of Action, relating to the principal's petition.

If you obtained conditional permanent resident status through your entrepreneur spouse or parent, and your spouse or parent has died, you may use this form to petition for removal of the conditions.
