

## **SUPPORTING STATEMENT**

### **Registration for Classification as Refugee**

**(Form I-590)**

**OMB No. 1615-0068**

#### **A. JUSTIFICATION:**

1. Section 207 of the Immigration and Nationality Act (Act) provides for the admission of refugees into the United States. Procedures for admission of refugees into the United States are contained in 8 CFR 207.2(a). The annual refugee admission ceiling is set by the President in consultation with Congress. A refugee is defined in section 101(a)(42) of the Act.
2. Form I-590 provides a uniform method for applicants to apply for refugee status and contains the information necessary to adjudicate such applications. Without the use of this form, processing of refugees would be delayed and could result in non-compliance with the Act.
3. The use of this form provides the most efficient means for collecting and processing the required data. In this case U.S. Citizenship and Immigration Services (USCIS) does not employ the use of information technology in collecting and processing information. This form has been scheduled for e-filing as part of the Business Transformation Project.
4. A review of USCIS Forms Inventory Report revealed no duplication of efforts. There is no similar information currently available that can be used for this purpose.
5. This collection of information does not have an impact on small businesses or other small entities.
6. Section 101(a)(42) of the Act defines a refugee as a person having a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion. Form I-590 provides the information necessary to determine

an applicant's claim as a refugee. If the collection of information is not conducted, USCIS could not identify those refugees eligible for admission to the U.S. pursuant to section 207 of the Act. Furthermore, it could result in non-compliance with the Act.

7. There are no special circumstances applicable to this information collection.
8. In connection with this information collection, USCIS published in the Federal Register a 60-day notice at 75 FR 77889 on December 14, 2010. On March 3, 2011, USCIS published a 30-day notice at 76 FR 11808. USCIS did not receive comments in connection with these notices.
9. USCIS does not provide payments or gifts to respondents in exchange for a benefit sought.
10. There is no assurance of confidentiality. The system of records notice associated with this information collection is the Alien File (A-File) and Central Index System published on January 16, 2007 at 72 FR 1755. ### **Annual Reporting**

**The total annual reporting burden hours are 81,620.** This figure was derived by multiplying the number of respondents (140,000) x frequency of response (1) x .583 (35 minutes) per response.

13. There are no capital or start-up costs associated with this information collection. Any cost burdens to respondents as a result of this information collection are identified in Item 14. Additionally, there are no fee charges associated with the collection of this information.

d.	Fee Charge		0
e.	Total Cost to Government	\$	4,225,200

### **Government Cost**

**The estimated cost to the Government is \$4,225,200.** This figure is calculated by multiplying the estimated number of respondents 140,000 x .75 (45 minutes) (Time required to collect and process information) x \$40 (suggested average hourly rate for clerical, officer, and supervisory time with benefits). In addition, this figure includes the estimated overhead cost for printing, stocking, and distributing the form, which is \$25,200.

### **Public Cost**

**The estimated annual public cost is \$2,439,621.** This is based on the number of respondents 140,000 x .583 (35) minutes per response x \$29.89 (Average hourly rate).
