## :: ON-LINE REPORTING TOOL ::

Reports taken by the NRC are based on the "Incident Type." Each Incident Type requires a different subset of information. The NRC On-Line Reporting Application "HELP" feature describes these areas in detail. All incident types are available for submission via the application.

The NRC will contact the Reporting Party within 30 minutes of receiving an online report to provide an official NRC Report Number. If you have not received an email confirmation from the NRC within 45 minutes of submitting a report, please contact us by phone using our toll free number (800-424-8802).
