

Customer Satisfaction Analysis

P.O. Box 90215
Denton, TX 76202

The Federal Emergency Management Agency (FEMA) Public Assistance (PA) Program is conducting surveys to determine customer satisfaction with the PA Program.

Importance of Completing the Survey: We recognize that your recovery efforts may still be underway, but your feedback on the PA Program is essential to help us improve our performance. This survey is being sent to grantee, subgrantee, and tribal grantee participants. If you cannot answer this questionnaire, please share this email with the appropriate person.

Use of the Survey Results: FEMA uses the survey to monitor satisfaction with PA Program performance both for this event and over time so we can identify potential refinements and enhancements to the PA Program. Results of the survey are collected, analyzed, and presented in individual disaster reports, as well as a national annual report, that will be distributed to FEMA headquarters and regional offices. The reports are also available to State and local governments.

If you have any questions regarding this questionnaire, please contact: 866-330-8286.

Thank you for taking the time to help us improve the quality of the FEMA Public Assistance Program.
