MIGRANT STUDENT INFORMATION EXCHANGE (MSIX) SUMMARY OF INFORMATION
OMB NO. 1810-NEW

This spreadsheet workbook contains the calculations used for estimating the information collection burden of MSIX. The workbook contains tabs as follows:

TABS

Table of Contents		The introductory tab you are now viewing
83-I Hour Summary		Summary of the estimated information collection burden as presented in the Form 83-I Supporting Statement
83-I Cost Estimate		Summary of the estimated dollar cost of the information collection burden as presented in the Form 83-I Supporting Statement
Itemized MDE Burden		The calculation of itemized burden for each of the Minimum Data Elements (MDEs) required by MSIX, including both those collected through the MSIX requirement and those gathered from other sources but transmitted by MSIX
Variables		Variables used in calculating burden
Federal Cost		Federal personnel and contractor costs of the MSIX information collection, as reported in the Form 83-I Supporting Statement
Summary of Burden		Summarization of burden for all three collection requirements, which include Initial Enrollment, 30 Day Update, and 4 Day Update
Initial Enrollment		The information burden of the requirement for States to provide Initial Enrollment information within 10 days for MEP-eligible children.
30-Day Update		The information burden of the requirement for updating information within 30 days after each educational term (semester, trimester, or summer/ intersession period) for all enrolled MEP children. (30-day response)
4-Day Update		The information burden of the requirement for States to provide updated information for MEP-eligible children who have moved on an interstate basis. (4-Day Response)

BURDEN ESTIMATE

MIGRANT STUDENT INFORMATION EXCHANGE (MSIX) SUMMARY OF INFORMATION BURDEN ESTIMATE
OMB NO. 1810-NEW

By Reporting Timeframe	Annualized Burden Hours for All Respondents
Initial Enrollment with 10-Day Reporting	88,086
Semester, Trimester, or Summer/Intersession Update	117,892
MEP Child Update	29,473
ANNUALIZED TOTAL FOR ALL SEAs	**235,452**
Average Hours per SEA (Annualized)	4,905
Average Person Years per SEA (at 2,080 hours each year)	2.4
Annualized Hours per 1,000 Enrolled Children (462,316 of Children)	509

Initial Enrollment with 10-Day Reporting

Initial Enrollment with 10-Day Reporting	Frequency of response	# of Respon-dents	Average # of Hours per Respondent	Total Hours Over Three Years	Description
Data Collection	Upon determination of a child's eligibility for MEP	12 SEAs	3,681	44,178	This estimate includes time required for SEA staff to collect information from schools and programs with migrant children regarding educational and health status data about individual children. The data must be submitted within 10 days of determination of eligibility. Assumes 100% first year and 25% in each second and third years due to moves.
Data Entry	Upon determination of a child's eligibility for MEP	12 SEAs	994	47,718	Effort to key data into a computer system. Assumes 100% first year and 25% in each second and third years due to moves.
Data Maintenance, Transmission, Archiving, Multiple Moves, and IT Overhead	Upon determination of a child's eligibility for MEP	12 SEAs	1,915	91,896	This estimate includes the effort to maintain, transmit, and archive data as well as provide IT support for the information collection process.
Record Matching	Upon determination of a child's eligibility for MEP	12 SEAs	1,642	80,467	This estimate includes the effort to review, compare and match multiple records to ensure the unique identification of a student. Assumes 3% of population and 5 minutes on average to resolve each near match.

Total Over Three Years for Initial Enrollment	(Hours)	12 SEAs	8,232	264,259	Hours: Total for three years. Assumes 100% first year and 25% in second and third years.
