#### **FY 20XX KEY APPLICATION HIGHLIGHTS**

The Department of Education is conducting all competitions electronically. HBCUs and HBGIs should submit the institution's Phase I data via e-mail. Institutions may use digital signatures or, if not available, scan the Phase I data documents and send them as a PDF.

**It is Department policy that all applications must be submitted using the Grants.gov system.** The Grants.gov system is a government-wide application system. Therefore, you may see references to items that are not applicable to the HBCU and HBGI programs, such as: the Closing Date Notice (CDN); submitting applications by 4:30:00 pm; and submitting applications by mail. The HBCU program and the HBGI program do not publish a CDN. All application instructions are contained in this booklet. Your application must be submitted by the deadline date; however, HBCU and HBGI applications are not required to be in by 4:30:00 pm on the closing date. Lastly, all HBCU and HBGI applicants must submit their applications electronically. No paper application submissions will be accepted.

To read the Grants.gov registration and transmittal instructions, as well as submission tips, please refer to the instructions located after the <u>Authorizing Legislation</u> section of this booklet.

#### **HBCUs**:

• This application booklet should be used for new Title III, Part B HBCU and new Title III, Part F HBCU (SAFRA) applications.

#### HBGIs:

• The information that follows provides an explanation of the changes to the HEA made as a result of the Higher Education Opportunity Act of 2008 (HEOA) and the effect the changes will have on your fiscal year (FY) 20XX HBGI award.

Section 311(c) of the HEOA of 2008 amends section 326 of the HEA to add six (6) institutions or qualified graduate programs (QGP) that are now eligible to receive funding under the HBGI program. The Funding Rule in section 326(f) of HEA was amended by section 311(d) of the HEOA, and reflects that the 18 HBGIs listed prior to the reauthorization of the HEA will continue to receive grants; however, the 6 new institutions will only receive funding if Congress appropriates funds above \$56,900,000. Furthermore, any amount appropriated, in excess of \$62,900,000, will be made available to the eligible institutions pursuant to a formula developed by the Secretary using the elements outlined in Section 326(3)(A) through (E) of the HEA. Lastly, section 311(e) of the HEOA amends the date of the Hold Harmless Rule in section 326(g) of the HEA and no institution or QGP that received a grant in FY 2008 and is eligible to receive a

grant in subsequent fiscal years, shall receive a grant that is less than the amount of their FY 2008 grant award.

#### IMPORTANT – PLEASE READ FIRST

# U.S. Department of Education <u>Grants.gov Submission Procedures and Tips for Applicants</u>

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

#### ATTENTION - Adobe Forms and PDF Files Required

Applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Therefore, applicants will need to download the latest version of Adobe reader (at least Adobe Reader 8.1.2). Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov. We strongly recommend that you review these details on <a href="https://www.Grants.gov">www.Grants.gov</a> before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. Also, applicants are required to upload their attachments in .pdf format only. (See details below under "Attaching Files – Additional Tips.") If you have any questions regarding this matter please email the Grants.gov Contact Center at <a href="mailto:support@grants.gov">support@grants.gov</a> or call 1-800-518-4726.

Also, applicants should be aware that on October 11, 2010, Grants.gov implemented a new security build which requires each organization's e-Biz POC (Point of Contact) update their Grants.gov registration. To complete this step, the e-Biz POC must have their DUNS number and CCR MPIN. We recommend this step be completed several days before application submission unless the e-Biz POC has already responded to this requirement. For more information on this topic, please visit this Grants.gov information link: http://www.grants.gov/securitycommebiz/.

- REGISTER EARLY Grants.gov registration may take five or more business days to complete. You
  may begin working on your application while completing the registration process, but you cannot submit an
  application until all of the Registration steps are complete. For detailed information on the Registration
  Steps, please go to: <a href="http://www.grants.gov/applicants/get\_registered.jsp">http://www.grants.gov/applicants/get\_registered.jsp</a>. [Note: Your organization will need
  to update its Central Contractor Registry (CCR) registration annually.]
- 2) SUBMIT EARLY We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully on the deadline date. While there is no 4:30:00 pm time deadline for HBCU and HBGI applicants, you must submit your applications by midnight on the deadline date.

Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the CCR (Central Contractor Registry). If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.

3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov and the Department of Education receive your Grants.gov submission timely and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date received should be the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned.

If your application has a status of "Received" it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to "Validated" or "Rejected with Errors." If the status is "Rejected with Errors," your application has not been received successfully. Some of the reasons Grants.gov may reject

an application can be found on the Grants.gov site: <a href="http://www.grants.gov/applicants/applicant\_faqs.jsp#54">http://www.grants.gov/applicants/applicant\_faqs.jsp#54</a>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Error Messages document at <a href="http://www.grants.gov/assets/AdobeReaderErrorMessages.pdf">http://www.grants.gov/assets/AdobeReaderErrorMessages.pdf</a>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

#### Submission Problems - What should you do?

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or <a href="http://www.grants.gov/contactus/contactus.jsp">http://www.grants.gov/contactus/contactus.jsp</a>, or use the customer support available on the Web site: <a href="http://www.grants.gov/applicants/applicant">http://www.grants.gov/applicants/applicant</a> help.jsp.

#### Helpful Hints When Working with Grants.gov

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. You must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov.

Please go to <a href="http://www.grants.gov/applicants/applicant\_help.jsp">http://www.grants.gov/applicants/applicant\_help.jsp</a> for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov <a href="http://www.grants.gov/help/submit\_application\_faqs.jsp">http://www.grants.gov/help/submit\_application\_faqs.jsp</a>.

#### **Dial-Up Internet Connections**

When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. If you do not have access to a high-speed connection and electronic submission is required, you may want to consider submitting your application early, to ensure it goes through the system.

#### MAC Users

For MAC compatibility information, review the Operating System Platform Compatibility Table at the following Grants.gov link: <a href="http://www.grants.gov/help/download\_software.jsp">http://www.grants.gov/help/download\_software.jsp</a>. If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please contact Nalini Lamba-Nieves via email at: <a href="mailto:nalini.lamba-nieves@ed.gov">nalini.lamba-nieves@ed.gov</a> or by phone at (202) 502-7562. You may also contact Karen W. Johnson, Team Leader, via email at: <a href="mailto:Karen.johnson@ed.gov">Karen.johnson@ed.gov</a> or by phone at (202) 502-7642.

#### **Attaching Files – Additional Tips**

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include .pdf files** in their application:

- 1. Ensure that you attach <u>PDF files only</u> for any attachments to your application. PDF files are the only Education approved file type. Applicants must submit individual .PDF files only when attaching files to their application. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files. Any attachments uploaded that are not .PDF files or are password protected files will not be read. If you need assistance converting your files to a .pdf format, please refer to this Grants.gov webpage with links to conversion programs:

  http://www.grants.gov/help/download software.jsp#pdf conversion programs
- 2. Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.

- 3. When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded files must be less than 50 characters, contain no spaces, no special characters (example: -, &, \*, %, /, #, \) including periods (.), blank spaces and accent marks. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
- 4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the total size of your package before submission.

# Grants.gov ORGANIZATION REGISTRATION INSTRUCTIONS

The following instructions provide registration guidance for a company, academic or research institution, state, local or tribal government, not-for-profit, or other type of organization. Registration is a one-time process that is required before representatives of an organization can submit grant application packages electronically through Grants.gov. **The registration process can take up to four weeks** depending on your organization and whether all steps are taken in a timely manner. For more information, visit <a href="http://www07.grants.gov/applicants/get\_registered.jsp">http://www07.grants.gov/applicants/get\_registered.jsp</a>.

**Note:** If you are an individual applying for a grant on your own behalf and not on behalf of a company, academic or research institution, state, local or tribal government, not-for-profit, or other type of organization, visit <a href="http://www.grants.gov/applicants/individual registration.jsp">http://www.grants.gov/applicants/individual registration.jsp</a>. If you apply as an individual to a grant designated for organizations, your application will be rejected.

#### STEP 1: OBTAIN DATA UNIVERSAL NUMBER SYSTEM (DUNS) NUMBER

#### WHY?

• The federal government has adopted the use of DUNS numbers to track how federal grant money is allocated. DUNS numbers identify your organization.

#### HOW?

- Ask the grant administrator, chief financial officer, or authorizing official of your organization to identify your DUNS number.
- If your organization does not know its DUNS number or needs to register for one, visit Dun & Bradstreet at <a href="http://fedgov.dnb.com/webform/displayHomePage.do">http://fedgov.dnb.com/webform/displayHomePage.do</a>.

#### TIME REQUIRED?

• Same day. You will receive DUNS number information online.

#### STEP 2: REGISTER WITH CENTRAL CONTRACTOR REGISTRATION (CCR)

#### WHY?

• Registering with the CCR is required for organizations to use Grants.gov.

#### HOW?

- Ask the grant administrator, chief financial officer, or authorizing official of your organization if your organization has registered with the CCR.
- If your organization is not registered, apply online at http://www.ccr.gov.

- When your organization registers with CCR, you must designate an E-Business Point of Contact (E-Biz POC). This person will identify a special password called an MPIN.
- This MPIN gives the E-Biz POC authority to designate which staff members from your organization are allowed to submit applications electronically through Grants.gov. These designated staff members are called Authorized Organization Representatives (AORs).

#### TIME REQUIRED?

- If your organization already has an Employment Identification Number (EIN) or Taxpayer Identification Number (TIN), allow one to three business days to complete the entire CCR registration.
- If your organization does not have an EIN or TIN, allow two weeks for obtaining the EIN or TIN from the Internal Revenue Service (IRS) if requested via phone or Internet.
- Your organization needs to renew its CCR registration once a year, which may take up to five business days. You will not be able to move on to Step 3 until this step is completed.

#### STEP 3: CREATE GRANTS.GOV USERNAME & PASSWORD

#### WHY?

• An AOR username and password serves as an "electronic signature" when submitting a Grants.gov application.

#### HOW?

- To create a username and password, AORs must complete a profile on Grants.gov (using their organization's DUNS number) at https://apply07.grants.gov/apply/OrcRegister.
- AORs must wait one business day after their organization registers with the CCR before creating a profile.

#### TIME REQUIRED?

• Same day. After the AOR has completed their profile they will be prompted to create a username and password that will allow the user to log in and check their approval status immediately.

#### **STEP 4: AOR AUTHORIZATION**

#### WHY?

• Only the E-Biz POC can approve AORs, who then have the ability to submit applications on behalf of the organization.

#### HOW?

- When an AOR registers with Grants.gov, that organization's E-Biz POC is notified by email.
- The E-Biz POC must then log in to Grants.gov (using the organization's DUNS number for the username and the MPIN password obtained in Step 2) and approve the AOR, thereby giving him or her permission to submit applications.
- When an E-Biz POC approves an AOR, Grants.gov will send the AOR a confirmation email.

#### TIME REQUIRED?

• This depends on how long it takes the E-Biz POC to log in and approve the AOR. Once the approval is completed, the AOR can immediately submit an application.

#### **STEP 5: TRACK AOR STATUS**

#### WHY?

• To verify that the organization's E-Biz POC has approved the AOR.

#### HOW?

• AORs can log in using their username and password (obtained in Step 3) to check if they have been approved by the E-Biz POC.

#### TIME REQUIRED?

• Logging in as an applicant is instantaneous. The approval process depends on how long it takes the E-Biz POC to log in and approve the AOR

#### GOVERNMENT PERFORMANCE AND RESULTS ACT (GPRA)

#### What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

#### How has the Department of Education responded to the GPRA requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

#### **GUIDANCE FOR PHASE II - THE PROJECT PLAN**

#### **Developing the Comprehensive Development Plan**

The Secretary evaluates an application on the basis of the applicant's response to the elements of the Comprehensive Development Plan (CDP) as defined in 34 CFR 608.21 and 609.21.

To facilitate the review of the application, applicants must address the following:

The CDP must describe an institution's strategy for achieving growth and self-sufficiency by strengthening its financial management and academic programs.

#### Elements of the CDP are as follows:

- 1. An assessment of the strengths and weaknesses of the institution's financial management and academic programs. Here is where you want to describe the institution's current state, identifying more than the strengths and weaknesses to be addressed by Title III B, but also present a comprehensive picture that describes the mission goals and objectives (short and long-term) that can be used to highlight the institution.
- 2. A delineation of the institution's goals for its financial management and academic programs, based on the outcomes of the assessments of these areas for which Title III funds will be used:
- 3. A listing of measurable objectives, with accompanying timeframes, designed to assist the institution to reach each goal for which Title III funds will be used for achieving the objectives; and,
- 4. A description of methods, procedures and processes that will be used by the college or university to institutionalize financial management and academic program practices and improvements developed under the proposed funded activities.

#### **Suggested Outline for Developing the CDP**

**Introduction/Institutional Overview** – the introduction should describe the institution's challenges and opportunities, and the institutional overview should address the history and mission, academic programs offered and areas of strength, enrollment data and student profile, graduation rates, and graduate school/professional school placement success.

Summary of the Institution's Planning Process – identify major institutional priorities.

Overview of Current Long-range Plan – describe major emphases and goals for the current planning period.

**CDP Focus** – describe areas targeted for improvement; list goals related to improve academic quality, fiscal stability, institutional management, and student services; summary of activities to address CDP goals; and CDP assessment strategies.

**Conclusion** – provide information addressing institutionalization as required by element 4 and relevant supporting documentation.

#### **Suggested Outline for Developing the Project Plan:**

The CDP should be used to guide the formation of the **Project Plan**. Separately, and for <u>each</u> proposed activity you must:

**PROVIDE AN ABSTRACT OF THE ACTIVITY** – Provide a brief (one paragraph) description of the proposed activity. Each activity must be titled using the most relevant title from the list of allowable activities authorized in the program regulations (34 CFR Section 608.10 for the HBCU program and 34 CFR Section 609.10 for the HBGI program). In brief detail, describe the purpose of each activity. A comprehensive Project Plan should include <u>Project Administration</u> as one of its proposed activities.

**DESCRIBE AND DEFINE OBJECTIVES AND PERFORMANCE INDICATORS FOR EACH PROPOSED ACTIVITY -** For each proposed activity, applicants must state their annual objectives, which, when combined with their performance indicators, are measurable and realistic (not too high, not too low). Connect each activity to the problem or weakness it should address and to the legislatively allowable activities (LAAs). List only the objectives that an activity is designed to accomplish. Describe the objectives in outcome-oriented, measurable terms (i.e. provide/establish baseline data, goal for that fiscal year—in number or percentage—, date by which you expect it to be completed, etc.). Objectives should be updated for each year in which funds are requested.

**DESCRIBE THE IMPLEMENTATION STRATEGY AND TIMETABLE FOR EACH PROPOSED ACTIVITY** – For each proposed activity, describe, in a comprehensive manner, who will do what, how, and when it will be done to meet the objectives of each activity.

**PROVIDE AN INDIVIDUAL ACTIVITY BUDGET & NARRATIVE** – For each proposed activity, applicants must prepare a separate, detailed itemized budget (in dollars) and a budget narrative for each year you are requesting grant funds. Demonstrate and justify that all costs are reasonable in today's market and necessary to accomplish your activity objectives.

**Note:** You must provide details so that we can determine if the costs are allowable, necessary and reasonable. Do not include a budget narrative (as a separate activity) for endowment investing. Requests for endowments investing should go under the "Other" category.

**COMPLETE A BUDGET SUMMARY (ED 524) FORM** – For each proposed project year, provide an itemized budget for each of the five years of the project. Applicants need only to provide a detailed budget narrative and justification for the first (initial) year of their proposed five-year project.

#### INTEGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS EXECUTIVE ORDER 12372

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism-or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

http://www.whitehouse.gov/omb/grants/spoc.pdf

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number-including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (eastern time) on the closing date indicated in this notice.

<u>Important note:</u> The above address is not the same address as the one to which the applicant submits its completed applications. <u>Do not send applications to the above address.</u>

#### GENERAL EDUCATION PROVISIONS ACT (GEPA) SECTION 427

Section 427 of GEPA requires all applicants for new awards to include in their applications a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted programs for students, teachers, and other program beneficiaries with special needs. The provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: *gender, race, national origin, color, disability, or age.* 

A general statement of an applicant's nondiscriminatory hiring policy is <u>not</u> sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

#### **NOTE:**

Applicants for new awards must include information in their applications to address this provision in order to receive funding under this program.
