Student Age 9 Core + Reading Questions

*The amount of time estimated to complete this form is 15 minutes.*

## DIRECTIONS

In the next section, you will be asked questions about yourself and your education. We will read this section together. To answer these questions, fill in the oval beside the answer that is true for you. For example, fill in the oval beside your answer to this question:

How many movies did you see last month on television and in movie theaters?

- (A) None
- (B) 1 to 5
- (C) 6 to 10
- (D) More than 10

You should have filled in the oval beside the answer that best tells how many movies you saw last month on television and in movie theaters. On questions like this, be sure to make your answer mark clear and dark in the oval. If you make a mistake or want to change your answer, be sure to completely erase any unwanted marks.

You will be told when it is time to begin and end this section.

Do not go past the  sign at the end of this section until you are told to do so.

If you finish before time is called, go back and check your work on this section only. Use your time carefully. Do as much as you can in this section.
