PARTNER NAME (Per your Partnership Agreement): _____

DATE OF SUBMISSION: _____

SUBMITTED BY (Your name): _____

IMPORTANT: Please read these instructions carefully before completing this form.

- Report shipments to or within the U.S. of all models qualified under your ENERGY STAR
- To ensure no double counting occurs, do not report shipments of products qualified under partnership, even if you are the Original Equipment Manufacturer of those products. As a partner, if you have a brand name your company owns or licenses must be qualified under your ENERGY STAR. If you have labeled products as ENERGY STAR for a brand owner/licensee that is not qualified, please report your shipments of these products.
- If you shipped *zero* ENERGY STAR qualified models to or within the U.S. in 2011, please leave this table below blank.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages the use of Microsoft Excel, instead of filling out a printed copy. Estimates of shipments are not accepted. For more information, see the Program Requirements at www.energystar.gov/specifications.
