

Revised RAMPS CORE Activity Reporting Instructions with HUD Form 50075.1

1. Screen 1 of 25

The Recovery Act recipient will select the appropriate award they will be reporting under the Core Activity module. In this updated version of RAMPS, the recipient can choose to select either Core Activities or Annual Statement while under the Core Activity module. If the recipient selects on Core Activities, then the series of screen prompts are the current OMB approved RAMPS version for Core Activities.

The screenshot shows the RAMPS web application interface. At the top, there is a blue header with the system name "Recovery Act Management and Performance System (RAMPS)" and a user profile for "RU100" with a "Logout" button. Below the header is a navigation menu with options: Home, HEPA Reporting, Core Activity (selected), User and Group Tools, Federal Reporting, RAMPS Admin, and Dashboard. Under "Core Activity", there are sub-links for "Award List" and "Core Activity Report Tool".

The main content area is titled "CA1 » Core Activity Reporting Instructions" and "Award List". On the left, there is a "Paperwork Reduction Act Statement" and instructions on how to use the award list. On the right, there are search filters for "Award Number" and "Award(s) by PHA Code", each with a "Search" button. Below the filters is a table of awards.

Paperwork Reduction Act Statement. The information collection requirements contained in this document have been approved by the OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB Control Number (2577-0264). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number. The public reporting burden for the collection of information is estimated to average 2 hours per annum per respondent.

This page displays awards for which you have access for Core Activities reporting. Please proceed to the reporting forms by either clicking the Award # or the Core Activities link. If any of your awards show "N/A" this means you do not have to submit Core Activities for these awards.

If you believe there are awards missing from this list that you should be able to edit, please check with the administrator at your organization to ensure that this award has been assigned to your account. If you are still encountering problems, please contact Recovery Act Reporting Call Center at 1-800-998-9999 or e-mail recovery@comcon.org.

Please begin the reporting process by selecting an Award. Please contact your Administrator if you do not have access to a specific Award in the Award List below.

The output is a downloadable PDF version of HUD Form 50075.1 which the recipient can submit as part of Capital Fund Program requirements. This RAMPS enhancement integrates information from Core Activity reports previously submitted by the recipient and pre-populates this within the Annual Statement; improving the reporting process by saving the recipient time completing the required documentation and increasing accuracy through transferring previously supplied Core Activity information automatically to HUD Form 50075.1.

In this case, the recipient has elected to save the revised Annual Statement as a draft, which is reflected below as "P&E Report Rev.1". The recipient can edit this report or view it as a PDF.

(Remember that earlier in this example, the recipient has already submitted an Annual Statement and will serve as the original report. Each subsequent Annual Statement will be generated as a revised Annual Statement / Performance & Evaluation Report.)

Revised RAMPS CORE Activity Reporting Instructions with HUD Form 50075.1

14. Screens 25 of 25

The output is a downloadable PDF version of HUD Form 50075.1 which the recipient can submit as part of Capital Fund Program requirements. This RAMPS enhancement integrates information from Core Activity reports previously submitted by the recipient and pre-populates this within the Annual Statement; improving the reporting process by saving the recipient time completing the required documentation and increasing accuracy through transferring previously supplied Core Activity information automatically to HUD Form 50075.1.
