1. Screen 1 of 25

The Recovery Act recipient will select the appropriate award they will be reporting under the Core Activity module. In this updated version of RAMPS, the recipient can choose to select either Core Activities or Annual Statement while under the Core Activity module. If the recipient selects on Core Activities, then the series of screen prompts are the current OMB approved RAMPS version for Core Activities.

The screenshot shows the RAMPS web application interface. At the top, there is a blue navigation bar with the title "Recovery Act Management and Performance System (RAMPS)" and a user profile for "RU100" with a "Logout" button. Below the navigation bar, there are several menu items: "Home", "NEPA Reporting", "Core Activity", "User and Group Tools", "Federal Reporting", "RAMPS Admin", and "Dashboard". The "Core Activity" menu is expanded, showing "Award List" and "Core Activity Report Tool".

The main content area is titled "CA1 » Core Activity Reporting Instructions" and "Award List". On the left, there is a "Paperwork Reduction Act Statement" and instructions for reporting. On the right, there are search filters for "Find award by Award Number" and "Find award(s) by PHA Code". Below the filters is a table of awards.

14. Screens 25 of 25

The output is a downloadable PDF version of HUD Form 50075.1 which the recipient can submit as part of Capital Fund Program requirements. This RAMPS enhancement integrates information from Core Activity reports previously submitted by the recipient and pre-populates this within the Annual Statement; improving the reporting process by saving the recipient time completing the required documentation and increasing accuracy through transferring previously supplied Core Activity information automatically to HUD Form 50075.1.
