

Evaluation of the Developing with Accessibility (DevAcc) Event

Thank you for participating in our Developing with Accessibility event, held on September 6 and 7, 2012. Given some preliminary feedback, we believe the event to have been a success and are most appreciative of your contributions. The FCC is now considering how best to hold future events of this type. So that we can achieve our goals in the most effective manner, we invite you to share your views for such future events. If you are interested, feel free to answer our questions below. Of course, this is purely voluntary, though we value any feedback you would like to give us about this event.

Using a 1-5 numbering scale (5 being the highest, 1 being the lowest), please rate the below:

- 1. Overall satisfaction with the DevAcc event: _____
- Was the event well organized? _____
- Were the topics relevant to you? _____
- Did you feel well prepared for the event? _____

If not, what would better prepare you for an event of this type?

- 2. Overall satisfaction with the FCC's Technology Experience Center (TEC): _____
- Did you find the exhibits informative? _____

If you did not use the TEC or find its exhibits informative, explain why:

- 3. Overall satisfaction with the speakers: _____
- Were the speakers prepared? _____
- Were you satisfied with the presentations? _____
- Was the material presented understandable? _____
- Were your questions answered? _____

Please provide suggestions for future speakers and/or materials:

- 4. Overall satisfaction with the format of the event: _____
- How was the registration/ security process? _____
- How was the room set-up? _____
- How were the start/ end times? _____
- Did you enjoy the two day format? _____
- Was there adequate signage? _____
- Were there adequate accommodations? _____

*The burden estimate for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and reviewing and revising your answers. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Office of Management and Budget, Paperwork Project Director (0304-0001), Washington, DC 20503.
