Title: Education Leaders Institute 6 Post-Survey

Introduction:

On behalf of the Illinois Arts Council and the National Endowment for the Arts, ArtsResearch is collecting feedback on the recent Education Leaders Institute (ELI) that you attended. The purpose of the study is to document the perceptions of participants and make recommendations for future Institutes. Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this interview is displayed at the top right of this protocol.

As a member of a participating ELI state team, you have been selected to participate in an online survey. The time required to provide responses to the survey questions is estimated to be approximately twenty minutes. The burden on respondents includes their responses to survey questions. Please note that a small selection of ELI participants will be asked to participate in interviews to further discuss their perceptions and make recommendations for future Institutes.

A report will be prepared by ArtsResearch for the Illinois Arts Council and the NEA that summarizes findings from the surveys conducted with members of ELI state teams during June-July 2011.

Your participation is voluntary. You will not receive any compensation for responding to the survey. You may decline to answer any questions you wish. The survey does not ask for your name and no individuals will be identified by name in subsequent data summaries.

Your feedback will be used to improve the design of future Education Leaders Institutes. The NEA staff also may incorporate information from the summary report into documents they make available to other federal agencies, arts and education organizations, grantees, and others interested in the NEA’s programs. Please contact Dr. Horowitz ([rob.horowitz@artsresearch.net](mailto:rob.horowitz@artsresearch.net)) or Dr. Patricia Moore Shaffer, Senior Evaluation Officer, NEA ([shafferp@arts.gov](mailto:shafferp@arts.gov)) if you have any questions regarding this data collection.
