

The National Science Foundation (NSF), Office of Budget, Finance, and Award Management (BFA), Division of Financial Management (DFM) is conducting a survey on grantee financial management interaction with NSF with an emphasis on customer service and the implementation of the Award Cash Management Service (ACM\$).

The objective of this survey is to gain feedback on the ACM\$ conversion, the initial user experience with ACM\$, and the user interaction with NSF staff. We will develop an action plan of continuous improvement to our financial operations based on input from NSF's grantee community. Our goal is to continue NSF's high standards of service and customer satisfaction into the future with our stakeholders.

Please complete the survey no later than September 1, 2013. It should take about ten minutes to complete. Should you have questions concerning the survey, please contact your Grantee Cash Management Accountant listed at <http://www.nsf.gov/bfa/dfm/cmeab.jsp>.
