SMALL BUSINESS ACT

(Public Law 85-536, as amended)

§ 1. This Act may be cited as the “Small Business Act.”

§ 2. (a) The essence of the American economic system of private enterprise is free competition. Only through full and free competition can free markets, free entry into business, and opportunities for the expression and growth of personal initiative and individual judgment be assured. The preservation and expansion of such competition is basic not only to the economic well-being but to the security of this Nation. Such security and well-being cannot be realized unless the actual and potential capacity of small business is encouraged and developed. It is the declared policy of the Congress that the Government should aid, counsel, assist, and protect, insofar as is possible, the interests of small-business concerns in order to preserve free competitive enterprise, to insure that a fair proportion of the total purchases and contracts or subcontracts for property and services for the Government (including but not limited to contracts or subcontracts for maintenance, repair, and construction) be placed with small business enterprises, to insure that a fair proportion of the total sales of Government property be made to such enterprises, and to maintain and strengthen the overall economy of the Nation.

(b) (1) It is the declared policy of the Congress that the Federal Government, through the Small Business Administration, acting in cooperation with the Department of Commerce and other relevant State and Federal agencies, should aid and assist small businesses, as defined under this Act, to increase their ability to compete in international markets by—

(A) enhancing their ability to export;

(B) facilitating technology transfers;

(C) enhancing their ability to compete effectively and efficiently against imports;

(D) increasing the access of small businesses to long-term capital for the purchase of new plant and equipment used in the production of goods and services involved in international trade;

(E) disseminating information concerning State, Federal, and private programs and initiatives to enhance the ability of small businesses to compete in international markets; and

(D) (i) Promptly after certification under paragraph (11) a Program Participant shall submit a business plan (hereinafter referred to as the “plan”) as described in clause (ii) of this subparagraph for review by the Business Opportunity Specialist assigned to assist such Program Participant. The plan may be a revision of a preliminary business plan submitted by the Program Participant or required by the Administration as a part of the application for certification under this section and shall be designed to result in the Program Participant eliminating the conditions or circumstances upon which the Administration

(Rev. 12) 72 SMALL BUSINESS ACT

determined eligibility pursuant to section 8(a)(6). Such plan, and subsequent modifications submitted under clause (iii) of this subparagraph, shall be approved by the business opportunity specialist prior to the Program Participant being eligible for award of a contract pursuant to section 8(a).

(ii) The plans submitted under this subparagraph shall include the following:

(I) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant's prospects for profitable operations during the term of program participation and after graduation.

The estimates established shall be consistent with the provisions of subparagraph (I) and section 8(a).

(iii) Each Program Participant shall annually review its currently approved plan with its Business Opportunity Specialist and modify such plan as may be appropriate. (iv) Each Program Participant shall annually forecast its needs for contract awards under section 8(a) for the next program year and the succeeding program year during the review of its business plan, conducted pursuant to clause (iii). Such forecast shall be known as the section 8(a) contract support level and shall be included in the Program Participant's business plan. Such forecast shall include—

(Rev. 12) 73 SMALL BUSINESS ACT

(I) the aggregate dollar value of contract support to be sought on a noncompetitive basis under section 8(a), reflecting compliance with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a),

(II) the types of contract opportunities being sought, identified by Standard Industrial Classification (SIC) Code or otherwise,

(III) an estimate of the dollar value of contract support to be sought on a competitive basis, and

(IV) such other information as may be requested by the Business Opportunity Specialist to provide effective business development assistance to the Program Participant.

(E) A small business concern participating in the program conducted under the authority of this paragraph and eligible for the award of contracts pursuant to section 8(a) shall be denied all such assistance if such concern—

(i) voluntarily elects not to continue participation;

(ii) completes the period of Program participation as prescribed by paragraph (15);

(iii) is terminated pursuant to a termination proceeding conducted in accordance with section 8(a)(9); or

(iv) is graduated pursuant to a graduation proceeding conducted in accordance with section 8(a)(9).

An action for termination shall be based upon good cause, including—

(i) the failure by such concern to maintain its eligibility for Program participation;

(ii) the failure of the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 8(a);

(Rev. 12) 74 SMALL BUSINESS ACT

(vi) the conviction of the disadvantaged owner or an officer of the concern for any offense indicating a lack of business integrity including any conviction for embezzlement, theft, forgery, bribery, falsification or violation of section 16. For purposes of this clause, no termination action shall be taken with respect to a disadvantaged owner solely because of the conviction of an officer of the concern (who is other than a disadvantaged owner) unless such owner conspired with, abetted, or otherwise knowingly acquiesced in the activity or omission that was the basis of such officer's conviction.

(G) The Director of the Division may initiate a termination proceeding by recommending such action to the Associate Administrator for Minority Small Business and Capital Ownership Development. Whenever the Associate Administrator, or a designee of such officer, determines such termination is appropriate, within 15 days after making such a determination the Program Participant shall be provided a written notice of intent to terminate, specifying the reasons for such action. No Program Participant shall be terminated from the Program pursuant to subparagraph (F) without first being afforded an opportunity for a hearing in accordance with section 8(a)(9).

(H) For the purposes of sections 7(j) and 8(a) the term “graduated” or “graduation” means that the Program Participant is recognized as successfully completing the program by substantially achieving the targets, objectives, and goals contained in the concern's business plan thereby demonstrating its ability to compete in the marketplace without assistance under this section or section 8(a).

(I) (i) During the developmental stage of its participation in the Program, a Program Participant shall take all reasonable efforts within its control to attain the targets contained in its business plan for contracts awarded other than pursuant to section 8(a) (hereinafter referred to as “business activity targets”). Such efforts shall be made a part of the business plan and shall be sufficient in scope and duration to satisfy the Administration that the Program Participant will engage [sic] a reasonable marketing strategy that will maximize its potential to achieve its business activity targets.

(ii) During the transitional stage of the Program a Program Participant shall be subject to regulations regarding business activity targets that are promulgated by the Administration pursuant to clause (iii).

(iii) The regulations referred to in clause (ii) shall:

(Rev. 12) 75 SMALL BUSINESS ACT

(II) require a Program Participant to attain its business activity targets;

(III) provide that, before the receipt of any contract to be awarded pursuant to section 8(a), the Program Participant (if it is in the transitional stage) must certify that it has complied with the regulations promulgated pursuant to subclause (II), or that it is in compliance with such remedial measures as may have been ordered pursuant to regulations issued under subclause (V);

(IV) require the Administration to review each Program Participant's performance regarding attainment of business activity targets during periodic reviews of such Participant's business plan; and

(V) authorize the Administration to take appropriate remedial measures with respect to a Program Participant that has failed to attain a required business activity target for the purpose of reducing such Participant's dependence on contracts awarded pursuant to section 8(a); such remedial actions may include, but are not limited to assisting the Program Participant to expand the dollar volume of its competitive business activity or limiting the dollar volume of contracts awarded to the Program Participant pursuant to section 8(a); except for actions that would constitute a termination, remedial measures taken pursuant to this subclause shall not be reviewable pursuant to section 8(a)(9).

(J) (i) The Administration shall conduct an evaluation of a Program Participant's eligibility for continued participation in the Program whenever it receives specific and credible information alleging that such Program Participant no longer meets the requirements for Program eligibility. Upon making a finding that a Program Participant is no longer eligible, the Administration shall initiate a termination proceeding in accordance with subparagraph (F). A Program Participant's eligibility for award of any contract under the authority of section 8(a) may be suspended pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation).

(ii) (I) Except as authorized by subclause (II) or (III), no award shall be made pursuant to section 8(a) to other than a small business concern.

(II) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), each firm's size shall be independently determined without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise

(Rev. 12) 76 SMALL BUSINESS ACT

owned by the tribe, unless the Administrator determines that one or more such tribally owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(III) Any joint venture established under the authority of section 602(b) of Public Law 100-656, the "Business Opportunity Development Reform Act of 1988," shall be eligible for award of a contract pursuant to section 8(a).

(11) (A) The Associate Administrator for Minority Small Business and Capital Ownership Development shall be responsible for coordinating and formulating policies relating to Federal Assistance to small business concerns eligible for assistance under section 7(i) of this Act and small business concerns eligible to receive contracts pursuant to section 8(a) of this Act.

(B) (i) Except as provided in clause (iii), no individual who was determined pursuant to section 8(a) to be socially and economically disadvantaged before the effective date of this subparagraph shall be permitted to assert such disadvantage with respect to any other concern making application for certification after such effective date.

(ii) Except as provided in clause (iii), any individual upon whom eligibility is based pursuant to section 8(a)(4) shall be permitted to assert such eligibility for only one small business concern.

(iii) A socially and economically disadvantaged Indian tribe may own more than one small business concern eligible for assistance pursuant to section 7(j)(10) and section 8(a) if—

(I) the Indian tribe does not own another firm in the same industry which has been determined to be eligible to receive contracts under this program, and

(II) the individuals responsible for the management and daily operations of the concern do not manage more than two Program Participants.

(C) No concern, previously eligible for the award of contracts pursuant to section 8(a), shall be subsequently recertified for program participation if its prior participation in the program was concluded for any of the reasons described in paragraph (10)(E).

(D) A concern eligible for the award of contracts pursuant to this subsection shall remain eligible for such contracts if there is a transfer of ownership and control (as defined pursuant to section 8(a)(4)) to individuals who are determined to be socially and economically disadvantaged pursuant to section 8(a). In the event of such a transfer, the concern, if not terminated or graduated, shall be eligible for a period of continued participation in the program not to exceed the time limitations prescribed in paragraph (15).

(Rev. 12) 77 SMALL BUSINESS ACT

(E) There is established a Division of Program Certification and Eligibility (hereinafter referred to in this paragraph as the “Division”) that shall be made part of the Office of Minority Small Business and Capital Ownership Development. The Division shall be headed by a Director who shall report directly to the Associate Administrator for Minority Small Business and Capital Ownership Development. The Division shall establish field offices within such regional offices of the Administration as may be necessary to perform efficiently its functions and responsibilities.

(F) Subject to the provisions of section 8(a)(9), the functions and responsibility of the Division are to—

- (i) receive, review and evaluate applications for certification pursuant to paragraphs (4), (5), (6) and (7) of section 8(a);
- (ii) advise each program applicant within 15 days after the receipt of an application as to whether such application is complete and suitable for evaluation and, if not, what matters must be rectified;
- (iii) render recommendations on such applications to the Associate Administrator for Minority Small Business and Capital Ownership Development;
- (iv) review and evaluate financial statements and other submissions from concerns participating in the program established by paragraph (10) to ascertain continued eligibility to receive subcontracts pursuant to section 8(a);
- (v) make a request for the initiation of termination or graduation proceedings, as appropriate, to the Associate Administrator for Minority Small Business and Capital Ownership Development;
- (vi) make recommendations to the Associate Administrator for Minority Small Business and Capital Ownership Development concerning protests from applicants that have been denied program admission;
- (vii) decide protests regarding the status of a concern as a disadvantaged concern for purposes of any program or activity conducted under the authority of subsection (d) of section 8, or any other provision of Federal law that references such subsection for a definition of program eligibility; and
- (viii) implement such policy directives as may be issued by the Associate Administrator for Minority Small Business and Capital Ownership Development pursuant to subparagraph (I) regarding, among other things, the geographic distribution of concerns to be admitted to the program and the industrial make-up of such concerns.

(G) An applicant shall not be denied admission into the program established by paragraph (10) due solely to a determination by the Division that specific contract opportunities are unavailable to assist in the development of such concern unless—

(Rev. 12) 78 SMALL BUSINESS ACT

- (i) the Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or
- (ii) the purchases of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

(H) Not later than 90 days after receipt of a completed application for Program certification, the Associate Administrator for Minority Small Business and Capital Ownership Development shall certify a small business concern as a Program Participant or shall deny such application.

(I) Thirty days before the conclusion of each fiscal year, the Director of the Division shall review all concerns that have been admitted into the Program during the preceding 12-month period. The review shall ascertain the number of entrants, their geographic distribution and industrial classification. The Director shall also estimate the expected growth of the Program during the next fiscal year and the number of additional Business Opportunity Specialists, if any, that will be needed to meet the anticipated demand for the Program. The findings and conclusions of the Director shall be reported to the Associate Administrator for Minority Small Business and Capital Ownership Development by September 30 of each year. Based on such report and such additional data as may be relevant, the Associate Administrator shall, by October 31 of each year, issue policy and program directives applicable to such fiscal year that—

- (i) establish priorities for the solicitation of program applications from underrepresented regions and industry categories;
- (ii) assign staffing levels and allocate other program resources as necessary to meet program needs; and
- (iii) establish priorities in the processing and admission of new Program Participants as may be necessary to achieve an equitable geographic distribution of concerns and a distribution of concerns across all industry categories in proportions needed to increase significantly contract awards to small business concerns owned and controlled by socially and economically disadvantaged individuals. When considering such increase the Administration shall give due consideration to those industrial categories where Federal purchases have been substantial but where the participation rate of such concerns has been limited.

(12) (A) The Administration shall segment the Capital Ownership Development Program into two stages: a developmental stage; and a transitional stage.

(B) The developmental stage of program participation shall be designed to assist the concern in its effort to overcome its economic disadvantage by providing

(Rev. 12) 79 SMALL BUSINESS ACT

such assistance as may be necessary and appropriate to access its markets and to strengthen its financial and managerial skills.

(C) The transitional stage of program participation shall be designed to overcome, insofar as practicable, the remaining elements of economic disadvantage and to prepare such concern for graduation from the program.

(13) A Program Participant, if otherwise eligible, shall be qualified to receive the following assistance during the stages of program participation specified in paragraph 12:

(A) Contract support pursuant to section 8(a).

(B) Financial assistance pursuant to section 7(a)(20).

No exemption shall be made pursuant to this subparagraph if the contract to which it pertains has an anticipated value in excess of \$10,000,000. This subparagraph shall cease to be effective on October 1, 1992.

(D) A maximum of five exemptions from the requirements of the Act entitled "An Act requiring contracts for the construction, alteration and repair of any public building or public work of the United States to be accompanied by a performance bond protecting the United States and by an additional bond for the protection of persons furnishing material and labor for the construction, alteration, or repair of said public buildings or public works," approved August 24, 1935 (49 Stat. 793), which exemptions shall apply only to contracts awarded pursuant to section 8(a), except that, such exemptions may be granted under this subparagraph only if—

(i) the Administration finds that such concern is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue a bond subject to the guarantee provision of title IV of the Small Business Investment Act of 1958 (15 U.S.C. 692 et seq.);

(ii) the Administration and the agency providing the contracting opportunity have provided for the protection of persons furnishing materials or labor to the Program Participant by arranging for the direct disbursement of funds due to such persons by the procuring agency or through any bank the deposits of which are insured by the Federal Deposit Insurance Corporation; and

(iii) the contract to which it pertains does not exceed \$3,000,000 in amount. This subparagraph shall cease to be effective on October 1, 1994.

(Rev. 12) 80 SMALL BUSINESS ACT

(E) Financial assistance whereby the Administration may purchase in whole or in part, and on behalf of such concerns, skills training or upgrading for employees or potential employees of such concerns. Such assistance may be made without regard to section 18(a). Assistance may be made by direct payment to the training provider or by reimbursing the Program Participant or the Participant's employee, if such reimbursement is found to be reasonable and appropriate. For purposes of this subparagraph the term "training provider" shall mean an institution of higher education, a community or vocational college, or an institution eligible to provide skills training or upgrading under the Job Training Partnership Act or title I of the Workforce Investment Act of 1998. The Administration shall, in consultation with the Secretary of Labor, promulgate rules and regulations to implement this subparagraph that establish acceptable training and upgrading performance standards and provide for such monitoring or audit requirements as may be necessary to ensure the integrity of the training effort. No financial assistance shall be granted under the subparagraph unless the Administrator determines that—

- (i) such concern has documented that it has first explored the use of existing cost-free or cost-subsidized training programs offered by public and private sector agencies working with programs of employment and training and economic development;
- (ii) no more than five employees or potential employees of such concern are recipients of any benefits under this subparagraph at any one time;
- (iii) no more than \$2,500 shall be made available for any one employee or potential employee;
- (iv) the length of training or upgrading financed by this subparagraph shall be no less than one month nor more than six months;
- (v) such concern has given adequate assurance it will employ the trainee or upgraded employee for at least six months after the training or upgrading financed by this subparagraph has been completed and each trainee or upgraded employee has provided a similar assurance to remain within the employ of such concern for such period; if such concern, trainee, or upgraded employee breaches this agreement, the Administration shall be entitled to and shall make diligent efforts to obtain from the violating party the repayment of all funds expended on behalf of the violating party, such repayment shall be made to the Administration together with such interest and costs of collection as may be reasonable; the violating party shall be barred from receiving any further assistance under this subparagraph;
- (vi) the training to be financed may take place either at such concern's facilities or at those of the training provider; and
- (vii) such concern will maintain such records as the Administration deems appropriate to ensure that the provisions of this paragraph and any other applicable law have not been violated.

(Rev. 12) 81 SMALL BUSINESS ACT

Activities designed to effect such transfer shall be developed in cooperation with the heads of Federal agencies and shall include the transfer by grant, license, or sale of such technology or property to such a concern. Such property may be transferred to Program Participants on a priority basis. Technology or property transferred under this subparagraph shall be used by the concern during the normal conduct of its business operation and shall not be sold or transferred to any other party (other than the Government) during such concern's term of participation in the Program and for one year thereafter.

(G) Training assistance whereby the Administration shall conduct training sessions to assist individuals and enterprises eligible to receive contracts under section 8(a) in the development of business principles and strategies to enhance their ability to successfully compete for contracts in the marketplace.

(H) Joint ventures, leader-follow arrangements, and teaming agreements between the Program Participant and other Program Participants and other business concerns with respect to contracting opportunities for the research, development, full-scale engineering or production of major systems. (B) no more than five years may be spent in the transitional stage of Program Participation.

(16) (A) The Administrator shall develop and implement a process for the systematic collection of data on the operations of the Program established pursuant to paragraph (10).

(Rev. 12) 82 SMALL BUSINESS ACT

The Administrator shall also indicate the dollar distribution of net worths, at \$50,000 increments, of all such individuals found to be socially and economically disadvantaged. For the first report required pursuant to this paragraph the Administrator shall also provide the data specified in the preceding sentence for all eligible individuals in the Program as of the effective date of this paragraph.

[The following text represents Section 8(a) from the Small Business Act.]

SMALL BUSINESS ACT (A) IN GENERAL.—The Administration shall, upon written request, defer repayment of principal and interest due on a direct loan made under subsection (a) or (b), if such loan was incurred by a qualified borrower.

(B) PERIOD OF DEFERRAL.—The period of deferral for repayment under this paragraph shall begin on the date on which the eligible reservist is ordered to active duty and shall terminate on the date that is 180 days after the date such eligible reservist is discharged or released from active duty.

(C) INTEREST RATE REDUCTION DURING DEFERRAL.—Notwithstanding any other provision of law, during the period of deferral described in subparagraph (B), the Administration may, in its discretion, reduce the interest rate on any loan qualifying for a deferral under this paragraph.

(3) DEFERRAL OF LOAN GUARANTEES AND OTHER FINANCINGS.—The Administration shall—

(A) encourage intermediaries participating in the program under subsection (m) to defer repayment of a loan made with proceeds made available under that subsection, if such loan was incurred by a small business concern that is eligible to apply for assistance under subsection (b)(3); and

(B) not later than 30 days after the date of the enactment of this subsection, establish guidelines to—

(i) encourage lenders and other intermediaries to defer repayment of, or provide other relief relating to, loan guarantees under subsection (a) and financings under section 504 of the Small Business Investment Act of 1958 that were incurred by small business concerns that are eligible to apply for assistance under subsection (b)(3), and loan guarantees provided under subsection (m) if the intermediary provides relief to a small business concern under this paragraph; and

(ii) implement a program to provide for the deferral of repayment or other relief to any intermediary providing relief to a small business borrower under this paragraph.

§ 8. (a) (1) It shall be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary or appropriate—

(A) to enter into contracts with the United States Government and any department, agency, or officer thereof having procurement powers obligating the Administration to furnish articles, equipment, supplies, services, or materials to the Government or to perform construction work for the Government. In any case in which the Administration certifies to any officer of the Government having procurement powers that the Administration is competent and responsible to perform any specific Government procurement contract to be let by any such officer, such officer shall be authorized in his discretion to let such procurement contract to the

(Rev. 12) 97 SMALL BUSINESS ACT

Administration upon such terms and conditions as may be agreed upon between the Administration and the procurement officer. Whenever the Administration and such procurement officer fail to agree, the matter shall be submitted for determination to the Secretary or the head of the appropriate department or agency by the Administrator. Not later than 5 days from the date the Administration is notified of a procurement officer's adverse decision, the Administration may notify the contracting officer of the intent to appeal such adverse decision, and within 15 days of such date the Administrator shall file a written request for a reconsideration of the adverse decision with the Secretary of the department or agency head. For the purposes of this subparagraph, a procurement officer's adverse decision includes a decision not to make available for award pursuant to this subsection a particular procurement requirement or the failure to agree on the terms and conditions of a contract to be awarded noncompetitively under the authority of this subsection. Upon receipt of the notice of intent to appeal, the Secretary of the department or the agency head shall suspend further action regarding the procurement until a written decision on the Administrator's request for reconsideration has been issued by such Secretary or agency head, unless such officer makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a reconsideration of the adverse decision. If the Administrator's request for reconsideration is denied, the Secretary of the department or agency head shall specify the reasons why the selected firm was determined to be incapable to perform the procurement requirement, and the findings supporting such determination, which shall be made a part of the contract file for the requirement. A contract may not be awarded under this subsection if the award of the contract would result in a cost to the awarding agency which exceeds a fair market price;

(B) to arrange for the performance of such procurement contracts by negotiating or otherwise letting subcontracts to socially and economically disadvantaged small business concerns for construction work, services, or the manufacture, supply, assembly of such articles, equipment, supplies, materials, or parts thereof, or servicing or processing in connection therewith, or such management services as may be necessary to enable the Administration to perform such contracts;

(C) to make an award to a small business concern owned and controlled by socially and economically disadvantaged individuals which has completed its period of Program Participation as prescribed by section 7(j)(15), if—

(i) the contract will be awarded as a result of an offer (including price) submitted in response to a published solicitation relating to a competition conducted pursuant to subparagraph (D); and

(ii) the prospective contract awardee was a Program Participant eligible for award of the contract on the date specified for receipt of offers contained in the contract solicitation; and

(D) (i) A contract opportunity offered for award pursuant to this subsection shall be awarded on the basis of competition restricted to eligible Program Participants if—

(Rev. 12) 98 SMALL BUSINESS ACT

(I) there is a reasonable expectation that at least two eligible Program Participants will submit offers and that award can be made at a fair market price, and

(II) the anticipated award price of the contract (including options) will exceed \$5,000,000 in the case of a contract opportunity assigned a standard industrial classification code for manufacturing and \$3,000,000 (including options) in the case of all other contract opportunities.

(ii) The Associate Administrator for Minority Small Business and Capital Ownership Development, on a nondelegable basis, is authorized to approve a request from an agency to award a contract opportunity under this subsection on the basis of a competition restricted to eligible Program Participants even if the anticipated award price is not expected to exceed the dollar amounts specified in clause (i)(II). Such approvals shall be granted only on a limited basis.

(2) Notwithstanding subsections (a) and (c) of the first section of the Act entitled “An Act requiring contracts for the construction, alteration, and repair of any public building or public work of the United States to be accompanied by a performance bond protecting the United States and by additional bond for the protection of persons furnishing material and labor for the construction, alteration, or repair of said public buildings or public works,” approved August 24, 1935 (49 Stat. 793), no small business concern shall be required to provide any amount of any bond as a condition of receiving any subcontract under this subsection if the Administrator determines that such amount is inappropriate for such concern in performing such contract: Provided, That the Administrator shall exercise the authority granted by the paragraph only if—

(A) the Administration takes such measures as it deems appropriate for the protection of persons furnishing materials and labor to a small business receiving any benefit pursuant to this paragraph;

(B) the Administration assists, insofar as practicable, a small business receiving the benefits of this paragraph to develop, within a reasonable period of time, such financial and other capability as may be needed to obtain such bonds as the Administration may subsequently require for the successful completion of any program conducted under the authority of this subsection;

(C) the Administration finds that such small business is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue such bond or bonds subject to the guarantee provisions of Title IV of the Small Business Investment Act of 1958; and

(D) the small business is determined to be a startup concern and such concern has not been participating in any program conducted under the authority of this subsection for a period exceeding one year.

(Rev. 12) 99 SMALL BUSINESS ACT

The authority to waive bonds provided in this paragraph (2) may not be exercised after September 30, 1988.

(3) (A) Any Program Participant selected by the Administration to perform a contract to be let noncompetitively pursuant to this subsection shall, when practicable, participate in any negotiation of the terms and conditions of such contract.

(B) (i) For purposes of paragraph (1) a “fair market price” shall be determined by the agency offering the procurement requirement to the Administration, in accordance with clauses (ii) and (iii).

(ii) The estimate of a current fair market price for a new procurement requirement, or a requirement that does not have a satisfactory procurement history, shall be derived from a price or cost analysis. Such analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. Such analysis shall consider such cost or pricing data as may be timely submitted by the Administration.

(iii) The estimate of a current fair market price for a procurement requirement that has a satisfactory procurement history shall be based on recent award prices adjusted to insure comparability. Such adjustments shall take into account differences in quantities, performance times, plans, specifications, transportation costs, packaging and packing costs, labor and materials costs, overhead costs, and any other additional costs which may be deemed appropriate.

(C) An agency offering a procurement requirement for potential award pursuant to this subsection shall, upon the request of the Administration, promptly submit to the Administration a written statement detailing the method used by the agency to estimate the current fair market price for such contract, identifying the information, studies, analyses, and other data used by such agency. The agency’s estimate of the current fair market price (and any supporting data furnished to the Administration) shall not be disclosed to any potential offeror (other than the Administration).

(D) A small business concern selected by the Administration to perform or negotiate a contract to be let pursuant to this subsection may request the Administration to protest the agency’s estimate of the fair market price for such contract pursuant to paragraph (1)(A).

(4) (A) For purposes of this section, the term “socially and economically disadvantaged small business concern” means any small business concern which meets the requirements of subparagraph (B) and—

(i) which is at least 51 per centum unconditionally owned by—

(Rev. 12) 100 SMALL BUSINESS ACT

(I) one or more socially and economically disadvantaged individuals,
(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or
(III) an economically disadvantaged Native Hawaiian organization, or
(ii) in the case of any publicly owned business, at least 51 per centum of the stock of which is unconditionally owned by—
(I) one or more socially and economically disadvantaged individuals,
(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or
(III) an economically disadvantaged Native Hawaiian organization.

(B) A small business concern meets the requirements of this subparagraph if the management and daily business operations of such small concern are controlled by one or more—
(i) socially and economically disadvantaged individuals described in subparagraph (A)(i)(I) or subparagraph (A)(ii)(I), or
(ii) members of an economically disadvantaged Indian tribe described in subparagraph (A)(i)(II) or subparagraph (A)(ii)(II) or
(iii) Native Hawaiian organizations described in subparagraph (A)(i)(III) or subparagraph (A)(ii)(III).

(C) Each Program Participant shall certify, on an annual basis, that it meets the requirements of this paragraph regarding ownership and control.

(5) Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their individual qualities.

(6) (A) Economically disadvantaged individuals are those socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same business area who are not socially disadvantaged. In determining the degree of diminished credit and capital opportunities the Administration shall consider, but not be limited to, the assets and

(Rev. 12) 101 SMALL BUSINESS ACT

net worth of such socially disadvantaged individual. In determining the economic disadvantage of an Indian tribe, the Administration shall consider, where available, information such as the following: the per capita income of members of the tribe excluding judgment awards, the percentage of the local Indian population below the poverty level, and the tribe's access to capital markets.

(B) Each Program Participant shall annually submit to the Administration—

- (i) a personal financial statement for each disadvantaged owner;
- (ii) a record of all payments made by the Program Participant to each of its disadvantaged owners or to any person or entity affiliated with such owners; and
- (iii) such other information as the Administration may deem necessary to make the determinations required by this paragraph.

(C) (i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the standards to establish economic disadvantage pursuant to subparagraph (A) have not been met, the Administration shall conduct a review to determine whether such Program Participant and its disadvantaged owners continue to be impaired in their ability to compete in the free enterprise system due to diminished capital and credit opportunities when compared to other concerns in the same business area, which are not socially disadvantaged.

(ii) If the Administration determines, pursuant to such review, that a Program Participant and its disadvantaged owners are no longer economically disadvantaged for the purpose of receiving assistance under this subsection, the Program Participant shall be graduated pursuant to section 7(j)(10)(G) subject to the right to a hearing as provided for under paragraph (9).

(D) (i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the amount of funds or other assets withdrawn from a Program Participant for the personal benefit of its disadvantaged owners or any person or entity affiliated with such owners may have been unduly excessive, the Administration shall conduct a review to determine whether such withdrawal of funds or other assets was detrimental to the achievement of the targets, objectives, and goals contained in such Program Participant's business plan.

(ii) If the Administration determines, pursuant to such review, that funds or other assets have been withdrawn to the detriment of the Program Participant's business, the Administration shall—

(Rev. 12) 102 SMALL BUSINESS ACT

(I) initiate a proceeding to terminate the Program Participant pursuant to section 7(j)(10)(F), subject to the right to a hearing under paragraph (9); or

(II) require an appropriate reinvestment of funds or other assets and such other steps as the Administration may deem necessary to ensure the protection of the concern.

(E) Whenever the Administration computes personal net worth for any purpose under this paragraph, it shall exclude from such computation—

(i) the value of investments that disadvantaged owners have in their concerns, except that such value shall be taken into account under this paragraph when comparing such concerns to other concerns in the same business area that are owned by other than socially disadvantaged persons;

(ii) the equity that disadvantaged owners have in their primary personal residences, except that any portion of such equity that is attributable to unduly excessive withdrawals from a Program Participant or a concern applying for program participation shall be taken into account.

(7) (A) No small business concern shall be deemed eligible for any assistance pursuant to this subsection unless the Administration determines that with contract, financial, technical, and management support the small business concern will be able to perform contracts which may be awarded to such concern under paragraph (1)(C) and has reasonable prospects for success in competing in the private sector.

(B) Limitations established by the Administration in its regulations and procedures restricting the award of contracts pursuant to this subsection to a limited number of standard industrial classification codes in an approved business plan shall not be applied in a manner that inhibits the logical business progression by a participating small business concern into areas of industrial endeavor where such concern has the potential for success.

(8) All determinations made pursuant to paragraph (5) with respect to whether a group has been subjected to prejudice or bias shall be made by the Administrator after consultation with the Associate Administrator for Minority Small Business and Capital Ownership Development. All other determinations made pursuant to paragraphs (4), (5), (6), and (7) shall be made by the Associate Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(9) (A) Subject to the provisions of subparagraph (E), the Administration, prior to taking any action described in subparagraph (B), shall provide the small business concern that is the subject of such action, an opportunity for a hearing on the record, in accordance with chapter 5 of title 5, United States Code.

(B) The actions referred to in subparagraph (A) are—

(Rev. 12) 103 SMALL BUSINESS ACT

(i) denial of program admission based upon a negative determination pursuant to paragraph (4), (5), or (6);

(ii) a termination pursuant to section 7(j)(10)(F);

(iii) a graduation pursuant to section 7(j)(10)(G); and

(iv) the denial of a request to issue a waiver pursuant to paragraph (21)(B).

(C) The Administration's proposed action, in any proceeding conducted under the authority of this paragraph, shall be sustained unless it is found to be arbitrary, capricious, or contrary to law.

(D) A decision rendered pursuant to this paragraph shall be the final decision of the

Administration and shall be binding upon the Administration and those within its employ.

(E) The adjudicator selected to preside over a proceeding conducted under the authority of this paragraph shall decline to accept jurisdiction over any matter that—

(i) does not, on its face, allege facts that, if proven to be true, would warrant reversal or modification of the Administration's position;

(ii) is untimely filed;

(iii) is not filed in accordance with the rules of procedure governing such proceedings; or

(iv) has been decided by or is the subject of an adjudication before a court of competent jurisdiction over such matters.

(F) Proceedings conducted pursuant to the authority of this paragraph shall be completed and a decision rendered, insofar as practicable, within ninety days after a petition for a hearing is filed with the adjudicating office.

(10) The Administration shall develop and implement an outreach program to inform and recruit small business concerns to apply for eligibility for assistance under this subsection. Such program shall make a sustained and substantial effort to solicit applications for certification from small business concerns located in areas of concentrated unemployment or underemployment or within labor surplus areas and within States having relatively few Program Participants and from small disadvantaged business concerns in industry categories that have not substantially participated in the award of contracts let under the authority of this subsection.

(Rev. 12) 104 SMALL BUSINESS ACT

(11) To the maximum extent practicable, construction subcontracts awarded by the Administration pursuant to this subsection shall be awarded within the county or State where the work is to be performed.

(12) (A) The Administration shall require each concern eligible to receive subcontracts pursuant to this subsection to annually prepare and submit to the Administration a capability statement. Such statement shall briefly describe such concern's various contract performance capabilities and shall contain the name and telephone number of the Business Opportunity Specialist assigned such concern. The Administration shall separate such statements by those primarily dependent upon local contract support and those primarily requiring a national marketing effort. Statements primarily dependent upon local contract support shall be disseminated to appropriate buying activities in the marketing area of the concern. The remaining statements shall be disseminated to the Directors of Small and Disadvantaged Business Utilization for the appropriate agencies who shall further distribute such statements to buying activities with such agencies that may purchase the types of items or services described on the capability statements.

(B) Contracting activities receiving capability statements shall, within 60 days after receipt, contact the relevant Business Opportunity Specialist to indicate the number, type and approximate dollar value of contract opportunities that such activities may be awarding over the succeeding 12-month period and which may be appropriate to consider for award to those concerns for which it has received capability statements.

(C) Each executive agency reporting to the Federal Procurement Data System contract actions with an aggregate value in excess of \$50,000,000 in fiscal year 1988, or in any succeeding fiscal year, shall prepare a forecast of expected contract opportunities or classes of contract opportunities for the next and succeeding fiscal years that small business concerns, including those owned and controlled by socially and economically disadvantaged individuals, are capable of performing. Such forecast shall be periodically revised during such year. To the extent such information is available, the agency forecasts shall specify:

- (i) The approximate number of individual contract opportunities (and the number of opportunities within a class)
- (ii) The approximate dollar value, or range of dollar values, for each contract opportunity or class of contract opportunities.
- (iii) The anticipated time (by fiscal year quarter) for the issuance of a procurement request.
- (iv) The activity responsible for the award and administration of the contract.

(D) The head of each executive agency subject to the provisions of subparagraph (C) shall within 10 days of completion furnish such forecasts to—

(Rev. 12) 105 SMALL BUSINESS ACT

(i) the Director of the Office of Small and Disadvantaged Business Utilization established pursuant to section 15(k) for such agency; and

(ii) the Administrator.

(E) The information reported pursuant to subparagraph (D) may be limited to classes of items and services for which there are substantial annual purchases.

(F) Such forecasts shall be available to small business concerns.

(13) For purposes of this subsection, the term “Indian tribe” means any Indian tribe, band, nation, or other organized group or community of Indians, including any Alaska Native village or regional or village corporation (within the meaning of the Alaska Native Claims Settlement Act) which—

(A) is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, or

(B) is recognized as such by the State in which such tribe, band, nation, group, or community resides.

(14) (A) A concern may not be awarded a contract under this subsection as a small business concern unless the concern agrees that—

(i) in the case of a contract for services (except construction), at least 50 percent of the cost of contract performance incurred for personnel shall be expended for employees of the concern; and

(ii) in the case of a contract for procurement of supplies (other than procurement from a regular dealer in such supplies), the concern will perform work for at least 50 percent of the cost of manufacturing the supplies (not including the cost of materials).

(B) The Administrator may change the percentage under clause (i) or (ii) of subparagraph (A) if the Administrator determines that such change is necessary to reflect conventional industry practices among business concerns that are below the numerical size standard for businesses in that industry category. A percentage established under the preceding sentence may not differ from a percentage established under section 15(o).

(C) The Administration shall establish, through public rulemaking, requirements similar to those specified in subparagraph (A) to be applicable to contracts for general and specialty construction and to contracts for any other industry category not otherwise subject to the requirements of such subparagraph. The percentage applicable to any such requirement shall be determined in accordance with subparagraph (B), except that such a percentage may not differ from a percentage established under section 15(o) for the same industry category.

(Rev. 12) 106 SMALL BUSINESS ACT

(15) For purposes of this subsection, the term “Native Hawaiian Organization” means any community service organization serving Native Hawaiians in the State of Hawaii which—
(A) is a nonprofit corporation that has filed articles of incorporation with the director (or the designee thereof) of the Hawaii Department of Commerce and Consumer Affairs, or any successor agency,

(B) is controlled by Native Hawaiians, and

(C) whose business activities will principally benefit such Native Hawaiians.

(16) (A) The Administration shall award sole source contracts under this section to any small business concern recommended by the procuring agency offering the contract opportunity if

—
(i) the Program Participant is determined to be a responsible contractor with respect to performance of such contract opportunity;

(ii) the award of such contract would be consistent with the Program Participant’s business plan; and

(iii) the award of the contract would not result in the Program Participant exceeding the requirements established by section 7(j)(10)(I).

(B) To the maximum extent practicable, the Administration shall promote the equitable geographic distribution of sole source contracts awarded pursuant to this subsection.

(17) (A) An otherwise responsible business concern that is in compliance with the requirements of subparagraph (B) shall not be denied the opportunity to submit and have considered its offer for any procurement contract for the supply of a product to be let pursuant to this subsection or subsection (a) of section 15 solely because such concern is other than the actual manufacturer or processor of the product to be supplied under the contract.

(B) To be in compliance with the requirements referred to in subparagraph (A), such a business concern shall—

(i) be primarily engaged in the wholesale or retail trade;

(ii) be a small business concern under the numerical size standard for the Standard Industrial Classification Code assigned to the contract solicitation on which the offer is being made;

(Rev. 12) 107 SMALL BUSINESS ACT

(iii) be a regular dealer, as defined pursuant to section 35(a) of title 41, United States Code (popularly referred to as the Walsh-Healey Public Contracts Act), in the product to be offered the Government or be specifically exempted from such section by section 7(j)(13)(C); and (iv) represent that it will supply the product of a domestic small business manufacturer or processor, unless a waiver of such requirement is granted—

(I) by the Administrator, after reviewing a determination by the contracting officer that no small business manufacturer or processor can reasonably be expected to offer a product meeting the specifications (including period for performance) required of an offeror by the solicitation; or

(II) by the Administrator for a product (or class of products), after determining that no small business manufacturer or processor is available to participate in the Federal procurement market.

(18) (A) No person within the employ of the Administration shall, during the term of such employment and for a period of two years after such employment has been terminated, engage in any activity or transaction specified in subparagraph (B) with respect to any Program Participant during such person's term of employment, if such person participated personally (either directly or indirectly) in decision-making responsibilities relating to such Program Participant or with respect to the administration of any assistance provided to Program Participants generally under this subsection, section 7(j)(10), or section 7(a)(20).

(B) The activities and transactions prohibited by subparagraph (A) include—

(i) the buying, selling, or receiving (except by inheritance) of any legal or beneficial ownership of stock or any other ownership interest or the right to acquire any such interest;

(ii) the entering into or execution of any written or oral agreement (whether or not legally enforceable) to purchase or otherwise obtain any right or interest described in clause (i); or

(iii) the receipt of any other benefit or right that may be an incident of ownership.

(C) (i) The employees designated in clause (ii) shall annually submit a written certification to the Administration regarding compliance with the requirements of this paragraph.

(ii) The employees referred to in clause (i) are—

(I) regional administrators;

(Rev. 12) 108 SMALL BUSINESS ACT

(II) district directors;

(III) the Associate Administrator for Minority Small Business and Capital Ownership Development;

(IV) employees whose principal duties relate to the award of contracts or the provision of other assistance pursuant to this subsection or section 7(j)(10); and

(V) such other employees as the Administrator may deem appropriate.

(iii) Any present or former employee of the Administration who violates this paragraph shall be subject to a civil penalty, assessed by the Attorney General, that shall not exceed 300 per centum of the maximum amount of gain such employee realized or could have realized as a result of engaging in those activities and transactions prescribed by subparagraph (B).

(iv) In addition to any other remedy or sanction provided for under law or regulation, any person who falsely certifies pursuant to clause (i) shall be subject to a civil penalty under the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801-3812).

(19) (A) Any employee of the Administration who has authority to take, direct others to take, recommend, or approve any action with respect to any program or activity conducted pursuant to this subsection or section 7(j), shall not, with respect to any such action, exercise or threaten to exercise such authority on the basis of the political activity or affiliation of any party. Employees of the Administration shall expeditiously report to the Inspector General of the Administration any such action for which such employee's participation has been solicited or directed.

(B) Any employee who willfully and knowingly violates subparagraph (A) shall be subject to disciplinary action which may consist of separation from service, reduction in grade, suspension, or reprimand.

(C) Subparagraph (A) shall not apply to any action taken as a penalty or other enforcement of a violation of any law, rule, or regulation prohibiting or restricting political activity.

(D) The prohibitions of subparagraph (A), and remedial measures provided for under subparagraphs (B) and (C) with regard to such prohibitions, shall be in addition to, and not in lieu of, any other prohibitions, measures or liabilities that may arise under any other provision of law.

(Rev. 12) 109 SMALL BUSINESS ACT

(20) (A) Small business concerns participating in the Program under section 7(j)(10) and eligible to receive contracts pursuant to this section shall semiannually report to their assigned Business Opportunity Specialist the following:

(i) A listing of any agents, representatives, attorneys, accountants, consultants, and other parties (other than employees) receiving compensation to assist in obtaining a Federal contract for such Program Participant.

(ii) The amount of compensation received by any person listed under clause (i) during the relevant reporting period and a description of the activities performed in return for such compensation.

(B) The Business Opportunity Specialist shall promptly review and forward such report to the Associate Administrator for Minority Small Business and Capital Ownership Development. Any report that raises a suspicion of improper activity shall be reported immediately to the Inspector General of the Administration.

(C) The failure to submit a report pursuant to the requirements of this subsection and applicable regulations shall be considered "good cause" for the initiation of a termination proceeding pursuant to section 7(j)(10)(F).

(21) (A) Subject to the provisions of subparagraph (B), a contract (including options) awarded pursuant to this subsection shall be performed by the concern that initially received such contract. Notwithstanding the provisions of the preceding sentence, if the owner or owners upon whom eligibility was based relinquish ownership or control of such concern, or enter into any agreement to relinquish such ownership or control, such contract or option shall be terminated for the convenience of the Government, except that no repurchase costs or other damages may be assessed against such concerns due solely to the provisions of this subparagraph.

(B) The Administrator may, on a nondelegable basis, waive the requirements of subparagraph (A) only if one of the following conditions exist:

(i) When it is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing.

(ii) The head of the contracting agency for which the contract is being performed certifies that termination of the contract would severely impair attainment of the agency's program objectives or missions;

(iii) Ownership and control of the concern that is performing the contract will pass to another small business concern that is a program participant, but only if the acquiring firm would otherwise be eligible to receive the award directly pursuant to subsection (a);

(Rev. 12) 110 SMALL BUSINESS ACT

(iv) The individuals upon whom eligibility was based are no longer able to exercise control of the concern due to incapacity or death; or

(v) When, in order to raise equity capital, it is necessary for the disadvantaged owners of the concern to relinquish ownership of a majority of the voting stock of such concern, but only if

—
(I) such concern has exited the Capital Ownership Development Program;

(II) the disadvantaged owners will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and

(III) the disadvantaged owners will maintain control of daily business operations.

(C) The Administrator may waive the requirements of subparagraph (A) if—

(i) in the case of subparagraph (B)(i), (ii) and (iv), he is requested to do so prior to the actual relinquishment of ownership or control; and

(ii) in the case of subparagraph (B)(iii), he is requested to do so as soon as possible after the incapacity or death occurs.
