2013 Office of Communications Survey - Survey for Ag Outlook Conference

1. Communications Services

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0503-0021. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing

USDA's Office of Communications, would like to thank you for giving us the opportunity to work with you. Please help us serve you better by taking a couple of minutes to tell us about the service you have received so far. Your input is important to further strengthen our relationship and our value to your organization.

To complete the survey, please chek the box that best reflects your response to the questions. Your responses are voluntary and will remain confidential.
