

CHANGE REQUEST

Date: April 11, 2011
OMB Control No.: 0920-0212
Agency/Subagency: HHS/CDC
Current Title: National Hospital Discharge Survey
Type of Change: Expansion of survey content
Proposed New Title: National Hospital Care Survey

JUSTIFICATION

The National Hospital Discharge Survey, conducted by the National Center for Health Statistics since 1965, has received OMB approval to expand its content and to change its name. It will now be known as the National Hospital Care Survey. Thus we would like to change the official name of the survey in the ROCIS system.
