PART I: BACKGROUND INFORMATION

SUMMARY: Section 107(a) of the Child Abuse Prevention and Treatment Act (P.L. 111-320) (the Act) authorizes grants to States for the purpose of assisting States in developing, establishing and operating programs designed to improve: (1) the assessment and investigation of suspected child abuse and neglect cases, including cases of suspected child sexual abuse and exploitation, in a manner that limits additional trauma to the child and the child’s family; (2) the assessment and investigation of cases of suspected child abuse-related fatalities and suspected child neglect-related fatalities; (3) the investigation and prosecution of cases of child abuse and neglect, including child sexual abuse and exploitation; and (4) the assessment and investigation of cases involving children with disabilities or serious health-related problems who are suspected victims of child abuse or neglect.

The term "State" as used in Section 3 (7) of the Act includes each of the several

States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands. In FY 2010, 49 States, including the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa and the Commonwealth of the Northern Mariana Islands were deemed eligible for grants from funds deposited in the Crime Victims Fund, for a total of \$17,000,000.

Since the Virgin Islands, Guam, American Samoa and the Northern Mariana Islands may submit consolidated grant applications in accordance with 45 CFR Part 97, these jurisdictions need not submit an application under this Program Instruction (PI) if they choose to have their allotments included in a consolidated grant and to expend these funds under the authority of another program that is available for consolidation.

PURPOSE: The purpose of this PI is to set forth the eligibility requirements and the grant application procedures for FY 2011 Children’s Justice Act (CJA) grants and to provide the tentative State allocation table.

INFORMATION:

Three-Year Assessment Requirement

Section 107(d) of the Act requires the State Task Force (see description of Task Force at section A.1 on page 9) to undertake a comprehensive review and evaluation of the investigative, administrative and judicial handling of cases of child abuse and neglect and to make training and policy recommendations in each of the three categories in Section 107(e)(1) (the three CJA categories). The State Task Force assessment (review, evaluation and recommendations) is required for an initial application and **at three-year intervals thereafter.**

The assessment must include a report clearly outlining the review, evaluation, and recommendations in all the areas required in Section 107(e)(1)(A), (B) and (C). See pages 10-13.

The report should detail the steps conducted by the State to complete the Three - Year Assessment. The review and evaluation should build on prior assessments and note system improvements related to prior work. The review should outline the policy and training recommendations proposed. The report may also include any other relevant comments and recommendations. States may identify numerous training and policy recommendations and choose to prioritize certain recommendations be supported by CJA programming.

States which established their eligibility and first received funding **in FY 2008** and States which completed the three-year assessment requirement and received funding **in FY 2008** must **include in their FY 2011 application** documentation

that the State Task Force complied with the requirement for a State Task Force study at three-year intervals. Those States are:

Alaska California Virginia Wyoming

Reporting Requirements

1. Fiscal Reports

Fiscal Reports Standard Form-425 (SF-425) is required annually and are due within 90 days after the close of each fiscal year. First report is due December 31, 2012 (Interim) and Final Report is due by December 31, 2013.

Fiscal reports covering the Federal FY of a grant period are interim reports and reports covering the entire grant period are final reports.

Additional information will be provided on the Terms and Conditions issued for the FY 2011 Grants.

States are encouraged to submit their periodic financial reporting forms electronically, via the ACF On-Line Data Collection (OLDC) system. The Web address is: <https://extranet.acf.hhs.gov/oldcdocs/materials.html>. To sign up for access to OLDC, send an e-mail request to Nathaniel.West@acf.hhs.gov.

Expenditures under the CJA are to be reported by the State, using a (SF-425), Financial Status Report and should be submitted directly to:

Administration for Children and Families
Office of Grants Management
370 L'Enfant Promenade, S.W.
6th Floor East
Washington, D.C. 20447
ATTENTION: Division of Mandatory Grants
Children's Justice Act/Nathaniel West

2. Program Performance Reports

Program Performance Reports are required once a year as part of the grant application. No other performance reports are required. (See instructions under Section C, PROGRAM DESCRIPTION INSTRUCTIONS on page 13-14.)

Grant Administration Regulations

The regulations which apply to the administration of these grants are contained in 45 CFR Part 92, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," (see website link on page 17 for a copy of 45 CFR Part 92 revised regulations).

EXPENDITURE OF FUNDS:

A State is encouraged to obligate (establish binding contracts and sign them) these funds in one year but is **required** to obligate and liquidate (spend) CJA Federal funds no later than two years after the end of the fiscal year in which the funds are awarded. Grantees have until December 31, 2013 to liquidate FY 2011 CJA funds. This December 31, 2013 deadline is to assist grantees in paying invoices for services completed but invoiced by the end of the year (September 30, 2013). A negative grant award will be issued for any unobligated or unliquidated balances reported as of **December 31, 2013**, and returned to the Treasury.

States must obligate all FY 2011 CJA funds by **September 30, 2013**. States must liquidate all FY 2011 CJA funds by **December 31, 2013**.

States must obligate all FY 2009 CJA funds by **September 30, 2011**. States must liquidate all FY 2009 CJA funds by **December 31, 2011**.

No-cost extension requests will not be approved except in the event of a natural occurrence of destruction or distress. These circumstances are defined in 45 CFR § 95.22. (See Appendix).

Those States requesting an extension due to a natural occurrence of destruction or distress are to provide a written request, explaining the amount of money that remains to be liquidated and the circumstances for such an extension to: **Commissioner Bryan Samuels, Attn: Children's Bureau, Administration on Children, Youth and Families, 1250 Maryland Avenue, S.W., 8th Floor Washington, D.C. 20024**, no later than November 1, 2011.

NOTE: The Office of Grants Management is pleased to work with grantees needing guidance in the obligation and liquidation of funds according to the terms and conditions of their grant award.

AVAILABILITY AND ALLOCATION OF FUNDS:

Funding for the CJA program is available from the Crime Victims Fund. Legislation requires in any fiscal year that funds be made available to the Department of Health and Human Services for CJA grants to the States, except that 15 percent will be reserved by the Attorney General for CJA grants to Native American Tribes. With the enactment of the Child Abuse Prevention and Enforcement Act (CAPE) in March 2000, the amount transferred to ACF is capped at \$17,000,000. The total funding available for the CJA grants is \$17,000,000.

Funds will be allocated to States based on a formula similar to that used in distributing the CAPTA State grants, i.e., a base amount of \$50,000 will be awarded to each State; an additional amount will be awarded bearing the same ratio to the total funds remaining as the number of children under the age of 18 in each State bears to the total number of children under 18 in all the States.

The tentative FY 2011 allocation for each State is shown in Attachment 1.

Excess Funds:

Any excess funds resulting from States not meeting the eligibility requirements will be awarded to eligible States on a pro rata share basis. When a State receives more than their tentative allocation, **supplemental information to explain the State's use of these additional funds should be submitted in the form of a letter to Commissioner Bryan Samuels, Administration on Children, Youth and Families, 1250 Maryland Avenue, S.W., 8th Floor, Washington, D.C. 20024 no later than November 30, 2011.**

The use of excess funds must conform to the guidelines contained in this PI.

PROJECTS AND ACTIVITIES:

In accordance with Section 107(a) of CAPTA, grants awarded are to be used to develop, establish and operate programs designed to improve:

1. the assessment and investigation of suspected child abuse and neglect cases, including cases of suspected child sexual abuse and exploitation, in a manner that limits additional trauma to the child and the child's family;
2. the assessment and investigation of cases of suspected child abuse-related fatalities and suspected child neglect-related fatalities;
3. the investigation and prosecution of cases of child abuse and neglect, including child sexual abuse and exploitation; and
4. the assessment and investigation of cases involving children with disabilities or serious health-related problems who are suspected victims of child abuse or neglect.

In particular grant funds should be used to implement State Task Force recommendations in the following three categories (the three categories from Section 107(e)(1)(A) (B) and (C)) of the Act:

- A. investigative, administrative, and judicial handling of cases of child abuse and neglect, including child sexual abuse and exploitation, as well as cases involving suspected child maltreatment related fatalities and cases involving a potential combination of jurisdictions, such as interstate, Federal-State, and State-Tribal, in a

manner which reduces the additional trauma to the child victim and the victim's family and which also ensures procedural fairness to the accused;

- B. experimental, model, and demonstration programs for testing innovative approaches and techniques which may improve the prompt and successful resolution of civil and criminal court proceedings or enhance the effectiveness of judicial and administrative action in child abuse and neglect cases, particularly child sexual abuse and exploitation cases, including the enhancement of performance of court-appointed attorneys and guardians ad litem for children, and which also ensure procedural fairness to the accused; and
- C. reform of State laws, ordinances, regulations, protocols and procedures to provide comprehensive protection for children from abuse, including sexual abuse and exploitation, while ensuring fairness to all affected persons.

CJA funds should be used for programs to reform State systems and improve the processes by which States respond to cases of child abuse and neglect, including child sexual abuse and exploitation and cases of suspected child abuse or neglect related fatalities. This will enable States to deal more effectively with both the child victim and the offender and to limit additional trauma to the child victim.

The on-going activities of a State Task Force in monitoring implementation of its recommendations and continuing interagency collaboration in carrying out the intent of the Act may be supported with these funds. **Supporting child abuse prevention programs or treatment services is not an appropriate use of CJA funds.**
