Instructions

Here's how it works:

You will be asked to find information on a topic. We want to know what path you would expect to take to get this information on our website.

You will be presented with a list of links. Click on links in the list until you see the link that you think should have the information we asked you to find.

When you find a link that should get you the information on the topic we asked about, you will click "I'd find it here."

If you have clicked through a few levels of links and do not believe that any of the choices would contain the information you are looking for, you can backtrack by clicking on a link above or the Home link and then trying a different path.
