

Employee Initiative Information - WI

In our efforts to improve our training and job placement services, we are asking customers to answer a few additional questions related to employment.

This is part of an evaluation of the U.S. Department of Labor's "DEI Initiative."* The DEI seeks to increase employment opportunities for adults and youth with disabilities while striving to eliminate barriers to their employment.

Privacy Statement: Responses to this data collection are voluntary and will be used only for statistical purposes. Reports prepared for this study will summarize findings across the sample and will not associate responses with a specific firm/establishment/state/district or individual. We will not provide information that identifies you or your firm/establishment/state/district to anyone outside the study team, except as required by law.
