	▶ WHAT IS THE DEI?		
	Since September 2010, the U.S. Department of Labor (DOL) has awarded over \$40 million to 16 states under the Disability Employment Initiative (DEI). The goals of the DEI include improving education, training, and employment opportunities for individuals with disabilities. DEI is a joint undertaking of DOL's Employment and Training Administration and its Office of Disability Employment Policy. The grants range in amount from \$1.4 million to \$6 million. States receiving funds include Alaska, Arkansas, California, Delaware, Hawaii, Kansas, Illinois, Ohio, Maine, New Jersey, New York, South Dakota, Tennessee, Washington, Wisconsin, and Virginia. • Read more about the DEI • Read the DEI Fact Sheet (PDF)	-	3
	The Office of Disability Employment Policy (ODEP) was authorized by Congress in the Department of Labor's FY 2001 appropriation. Recognizing the need for a national policy to ensure that people with disabilities are fully integrated into the 21st Century workforce, the Secretary of Labor delegated authority and assigned responsibility to the Assistant Secretary for Disability Employment Policy. ODEP is a sub-cabinet level policy agency in the Department of Labor. For more information, visit http://www.dol.gov/odep/	-	
	▶ WHAT IS THE ETA?		
	The Employment and Training Administration (ETA) administers federal government job training and worker dislocation programs, federal grants to states for public employment service programs, and unemployment insurance benefits. These services are primarily provided through state and local workforce development systems. For more information, visit http://www.doleta.gov/	-
