Number of vacant units (at time of application)

OMB Approval No. 2577-0208 (exp. 4/30/2008)

Public reporting burden for this collection of information is estimated to average 15 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number. This collection of information requires that each applicant submit information to enable HUD to review applications for HOPE VI grant funding. The information will be used by HUD to determine which applicants should be funded. Response to this collection of information is mandatory to obtain a benefit. Responses to the collection are required by the HOPE VI NOFA. The information requested does not lend itself to confidentiality.
