Export-Import Bank of the United States

Customer Survey on Operational Efficiency

As a Federal Agency, the U.S. Export Import Bank, ("Ex-Im Bank") is determined to streamline service delivery and to improve the experience of its customers. To this end, we have constructed a brief survey that addresses operational efficiency. We estimate that 10-15 minutes will be required to complete the survey. We value your feedback as to our performance and the areas of improvement. On behalf of Ex-Im Bank, we would like to thank you for your participation in this customer survey and look forward to your responses.

What	is the size of your company?
