

## Appendix G: Noyce Recipients Survey Flow Chart

The recipient survey will be programmed as one online survey, with different modules depending on how the respondents answer the questions about Current Status in the survey. For ease of reviewing, we have presented them as five separate modules, as laid out in the flow chart below. Sections A and B of each survey, which include questions to determine a recipient's status, are identical in all surveys. The table on the following page shows which items are included in each of the modules of the surveys. The third page of this appendix includes the crosswalk of survey items (across the modules) to research questions. Finally, the introductory Sections A and B of the recipient survey are presented, followed by each of the five recipient survey modules, each beginning from Section C.

- **Module A: In the teacher certification program and currently teaching**
- Module B: Currently in the teacher certification program and not employed as a teacher
- Module C: Completed teacher certification program and currently teaching
- Module D: Completed teacher certification program and not teaching
- Module E: Dropped out of complete teacher certification program

### <sup>1</sup>Research Questions Answered by Recipient Survey

- RQ1c: What activities and supports do teacher preparation programs that have Noyce awards use to prepare Noyce recipients to teach in general, and to teach in high-need schools, in particular?
- RQ1d: What activities do teacher preparation programs that have Noyce awards use to support Noyce completers once they are teaching?
- RQ2e: How do Noyce recipients perceive the preparation they received from their teacher preparation program in preparing them for teaching? When did Noyce recipients first become interested in teaching? What are the reasons Noyce recipients give for leaving the program or for teaching or not teaching in high-need districts?
- RQ3b: How do Noyce recipients perceive the climate of their schools?
- RQ4a: How are the types of supports/ activities/ training, financial incentives, school/district characteristics, or other personal experiences related to Noyce recipients' plans to enter and/or remain in teaching and leadership roles?

# Recipient Survey Items

---

Dear [Respondent Name],

As a current or former recipient of the **Robert Noyce Teacher Scholarship Program**, you are invited to participate in a short survey about your experiences.

This survey is being conducted by [Abt Associates Inc.](#), an independent social research firm, for the [National Science Foundation](#) (NSF) to gain a better understanding of the implementation and effectiveness of the Robert Noyce Teacher Scholarship program. It is part of a comprehensive evaluation, the results of which will be used to make recommendations regarding the Noyce program.

OMB Clearance Number: XXXX-XXXX	Expiration Date: XX/XX/XXXX
<b><i>Burden Disclosure Statement</i></b> According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this collection is XXXX-XXXX. Public reporting burden for this collection of information is estimated to average 40 minutes, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.	

## Confidentiality and Participation

Participation in the survey is voluntary and nonparticipation will have no impact on you or your institution. All information that would permit identification of an individual respondent will be held in strict confidence, will be used by only persons engaged in and for the purpose of the survey, and will not be disclosed or released to others for any purpose except as required by law. Reports will never identify you by name, and information from the study will only be reported in the aggregate at the program level. Survey data files will be shared with NSF at the end of the study, only after study team members have examined the data to be free of any information that could help identify you; your frank and open responses will help NSF make changes to improve the program to make it more effective. Hence, we encourage you to respond candidly about your experiences. Separate from your individual responses to the survey, we will provide NSF any updated contact information we have found or requested from you. None of this contact information will be linked in any way to your survey responses.

If you have questions about the study, please contact us at [NoyceEval@abtassoc.com](mailto:NoyceEval@abtassoc.com). You may also contact Joan Prival, the Lead Program Director of the Robert Noyce Teacher Scholarship Program, by e-mailing [jprival@nsf.gov](mailto:jprival@nsf.gov), or Connie Kubo Della-Piana, the Program Evaluation Officer at the Division of Undergraduate Education within the National Science Foundation, by e-mailing [cdellapi@nsf.gov](mailto:cdellapi@nsf.gov).

Programming instructions:

- A response for all 4 of these items is required. If any are left blank, display text: "Please answer all of the items above as this information is necessary to confirm that we are communicating with the correct person. If you are unsure how to answer this question, please contact us at [NoyceEval@abtassoc.com](mailto:NoyceEval@abtassoc.com). Thank you."
- If A1c=Yes and A1d=No, display the following text: "For this survey, we are interested in speaking with individuals who began receiving funding from the Robert Noyce Teacher Scholarship program prior to this current academic year (2010-2011). If you did, in fact, start these activities prior to 2010-2011, please click on the "back" button and revise your answers. Otherwise, click "Next." Then, SKIP to the "Thank You Script" at the end of the survey. Survey status = ineligible respondent.

[If A1a = No, ask A1aa and A1ab]

A1aa. What is your name?

A1ab. "Were you ever called [name of respondent]? For example, is this your maiden name or a nickname?"

- <sub>1</sub> Yes
- <sub>2</sub> No, but my name is very similar. This appears to be a spelling error or typo.
- <sub>3</sub> No

Programming instruction: A1ab is required if A1a=No. If R doesn't answer, say "Please provide an answer below." If R does not select 1 or 2, display the following text: "We apologize for the inconvenience. This survey was intended for [Name of Respondent]. If this is you, please click the "back" button and revise your answers. Otherwise, click "Next." Then SKIP to "Thank You Script" at the end of the survey. Survey status = incorrect respondent.

[If A1b = No, ask A1bb]

A1bb. Which colleges or universities did you attend?

[If A1c = No and A1d= No, ask A1cc]

A1cc. Have you ever received funding from the Robert Noyce Teacher Scholarship Program?

- <sub>1</sub> Yes, I received Noyce funding from: [\(Text Box\)](#)
- <sub>2</sub> No, I had applied for Noyce funding (or funding from [Award Name]) but never received it.
- <sub>3</sub> No, I never applied for or received funding from a Noyce program.

Programming instruction: This question is required if A1c=No. If R does not answer A1cc, say “Please provide an answer below. If you are unsure how to answer this question based on your unique circumstances, please contact us at [NoyceEval@abtassoc.com](mailto:NoyceEval@abtassoc.com). Thank you. If A1cc=2 or 3, display the following text on a new screen: “For this survey, we are interested in speaking with individuals who received funding from the Robert Noyce Teacher Scholarship program. We had been told by the [Award Name] principal investigator, [PI Name], that you had received funding from this program; we apologize for any inconvenience. One of our staff members may contact you to clarify this information. In the meantime, please feel free to contact us at [NoyceEval@abtassoc.com](mailto:NoyceEval@abtassoc.com) with any questions or concerns. Thank you for your time.” Then, SKIP to “Thank You Script” at the end of the survey and send an auto-notification to [noyceeval@abtassoc.com](mailto:noyceeval@abtassoc.com) with responses to A1; an Abt staff member will call R and/or PI to clarify Noyce status. Survey status = ineligible respondent. Include a back button on this “thank you” page so R has the option of revising their response to A1cc and finishing the survey.

[If A1c = No and A1d= Yes, ask A1dd]

A1dd. You indicated that you received funding from the Robert Noyce Teacher Scholarship Program prior to academic year 2010-2011, but this was not from [\[Noyce Program Name\]](#). Please specify the name of the Noyce program from which you received funding:

## SECTION C: YOUR CERTIFICATION STATUS ON FEBRUARY 1, 2010

(Note: this section appears on the surveys for Group A,C & D)

The following questions ask about your teacher certification status on **February 1, 2010**.

*If you held more than one of the following certificates as of February 1, 2010, you will be asked to report additional certificates in later questions.*

C2a. In what content area(s) did this teaching certificate allow you to teach? (Check all that apply)

[Programming instruction: Display a table with 2 columns of all the categories listed in the “Certification Content Area” document (Noyce Recipient Survey Certification Content Areas.doc) and allow R to select multiple options.]

C2b. For which of the following grade ranges did your [one C2a selection] certificate apply? (Check all that apply)

*If your certificate did not restrict you to a specific grade range, check all three grade ranges.*

- <sub>1</sub> Early childhood, preschool, and/or any of grades K-5
- <sub>1</sub> Any of grades 6-8
- <sub>1</sub> Any of grades 9-12

[Programming instruction: Ask C2b for each item selected for C2a. For example, if R checks “English as Second Language (ESL),” “Mathematics,” and “Computer Science” in C2a, ask C2b for each. ]

C3. Did you have another teaching certificate *as of February 1, 2010*?

<sub>1</sub> Yes [\[Ask C4\]](#)

<sub>0</sub> No [\[SKIP to Section D\]](#)

C4. Which of the following describes this other teaching certificate?

*Please note that this question will be asked for each teaching certificate you held as of February 1, 2010. If you held multiple teaching certificates, you should only answer questions about one certificate at a time.*

<sub>1</sub> Regular or standard state certificate or advanced professional certificate

<sub>2</sub> Certificate issued after satisfying all requirements except the completion of a probationary period

<sub>3</sub> Certificate that requires some additional coursework, student teaching or passage of a test before regular certification can be obtained

<sub>4</sub> Certificate issued to persons who must complete a certification program in order to continue teaching

C5a. In what content area(s) did this other teaching certificate allow you to teach? *(Check all that apply)*

[\[Programming instruction: Display the table with 2 columns of all the categories listed in the "Certification Content Area" document and allow R to select multiple options.\]](#)

[\[Programming instruction: For each item selected in the table, display the following question as a pop-up. For example, if R checks "English as Second Language \(ESL\)," "Mathematics," and "Computer Science" in C5a, C5b will appear as a follow-up to each selection.\]](#)

C5b. For which of the following grade ranges did your [\[one C5a selection\]](#) certificate apply? *(Check all that apply)*

*If your certificate did not restrict you to a specific grade range, check all three grade ranges.*

<sub>1</sub> Early childhood, preschool, and any of grades K-5

<sub>1</sub> Any of grades 6-8

<sub>1</sub> Any of grades 9-12

[\[Programming instruction: Ask C5b for each item selected for C5a.\]](#)

[Programming instructions: Repeat questions C3 through C5b until R indicates they did not have another teaching certificate as of February 1, 2010, i.e. C3=0.](#)

Question C3 should appear on its own screen. Just above this question, add a matrix that summarizes all certificates that R describes. Below is a template:

As of February 1, 2010, you held the following teaching certificates:

#	Type	Content area	Grade range(s)
1	Regular or Standard	Middle grades, general	Any of grades 6-8
2	Probationary	Mathematics	Any of grades 6-8 Any of grades 9-12
3	Probationary	Computer Science	Any of grades 9-12

Also, add a text box with the following text instruction: "If any of this information is incorrect or incomplete, please explain below. Please be specific about any errors and, if applicable, include the certificate number displayed in the first column of the matrix. Once all your certifications are properly noted, click "Next" to continue. Thank you."

**SECTION D: INITIAL STATUS WHEN YOU FIRST RECEIVED FUNDS FROM THE ROBERT NOYCE TEACHER SCHOLARSHIP PROGRAM**

(Note: this section appears on the surveys for Group A,B,C,D & E)

When answering questions in this section, please refer to the time when you first received your Noyce scholarship funding. This information may have changed at some point during your teacher preparation program or thereafter, but, for this section, we are interested in your initial status – i.e., when you just started receiving Noyce funding or just prior to this time point.

D1. **At the time you first received a Noyce scholarship or stipend**, which one of the following most accurately described your educational status: *(Please select one)*

- <sub>1</sub> I was enrolled as an undergraduate in a bachelor’s degree program
- <sub>2</sub> I had completed my undergraduate degree and was enrolled in a post-baccalaureate teacher preparation program [\[SKIP to D2b\]](#)
- <sub>95</sub> Other (Please Specify)

[Programming note: If D1=Missing, display soft prompt: “Please provide a response. If you are not sure how to answer this question please describe under “Other.” Thank you!”]

D2a. **When you first began receiving Noyce funds**, what was your major/area of concentration in your undergraduate program? *(Check all that apply)*
