Additional Somatosensation Questions

Additional Somatosensation Questions

Estimated time burden: 2 minutes

Adult and Children 13-17

[00 Somatosensation]

On the next screens, we will ask you questions about sensations and/or unusual feelings that some people encounter. Consider each question by itself; then choose or type in an answer that best shows your experience.

After you make your choice, click on the NEXT button to go on to the next question. If you want to change your last answer, click on the GO BACK button to return to the previous question and then choose or type in a different answer.

Click on the CONTINUE button when you are ready to begin.
