School Performance and Activities

Expiration Date: XX/XX/XXXX

School Performance and Activities

Estimated time burden: 6 minutes

Proxy Report for Children 3-17

[00 IADLs Peds]

On the next screens, you will see questions about some of your child's behaviors including his/her performance in school. Read each question carefully and answer as best you can. Please consider each question by itself and choose an answer that honestly shows how you see your child's behaviors.

After you make your choice, the computer will automatically go on to the next question. If you want to change your answer, click on the GO BACK button to return to the previous question and then choose a different answer.

Click on the CONTINUE button when you are ready to begin.

[01_IADLs_Peds] Is your child atter	nding or enrolled in school or preschool?
	Yes
•	No
[02_IADLs_Peds] During the past 1 school/preschool	2 months, about how many days did your child miss !?

Public reporting burden for this collection of information is estimated to average 2 1/2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-xxxx*) EXP: (xx/xxxx). Do not return the completed form to this address.

Expiration Date: XX/XX/XXXX
