I am writing in reference to Task Order No. 283-10-0358, RECOVERY: Increasing Adoption of Patient-Centered Behavioral Health Research by Primary Care and Behavioral Health Providers and Systems. This project, which involves the collection of data from human subjects, has been reviewed and is hereby approved by the MANILA Institutional Review Board (IRB) for a period of one year from the date of this letter. If any changes are made to study procedures during that time, the project team will notify me as soon as possible.

Sincerely,
