

burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice Also Lists the Following Information:

Title of Proposal: Technical Assistance Experience, Expertise, and Awards Received Matrices. Description of the need for the information proposed: The Technical Assistance Experience, Expertise, and Awards Received Matrices will allow the Office of Special Needs Assistance Programs to accurately assess the experience, expertise, and overall capacity of applicants applying for technical assistance funding under the FY2011 McKinney-Vento Technical Assistance (MV-TA) Notice of Funding Availability (NOFA). The new format for this type of collection also makes it easier for applicants to apply by reducing the time required for filling out an application, while retaining the utility of previous collection methods.

Members of the affected public: Private for-profit, not-for-profit, and public entities applying for funding as technical assistance providers under the FY2011 MV-TA NOFA.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: 10 applicants × 480 minutes per response = 4,800 total minutes or 80 hours.

Status of proposed information collection: New collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: May 20, 2011.

Clifford D. Taffet,

General Deputy Assistant, Secretary for Community Planning and Development.
