1. Read and follow the Payment Instructions to help ensure your payment is posted correctly to the plan's account.
2. Select the "Approve" button.

Payment Instructions

When you send the PBGC a paper check to pay the premium reported in the filing, we must match your paper check with your electronic filing to make sure your payment is posted correctly to the plan's account. To do this, we provide you with a payment voucher to print out and submit with your check.

To help ensure your payment is accurately posted to the plan's account, follow these steps:

1. Click the "Display Voucher" button before leaving this page. My PAA will display the payment voucher in a printable format.
2. When the voucher is displayed, select File/Print from your browser's menu to send the voucher to your selected printer. Be sure to print the voucher on 8.5" x 11" paper.
3. Close the window that displays the voucher.
4. Write the plan's EIN/PN and the date the premium payment year commenced (PYC) on your check in case the check becomes separated from the voucher.
5. Mail the check and voucher to:
