Getting Started

NOTE: If there is no activity for 20 minutes or more in the process of completing this online application, your session will expire and some data might be lost. Data entered will be saved as you advance through the application by clicking the Next button. However, data on the current page will be lost if there is no activity for 20 minutes.

Click the button below to begin the Medical Examination For Immigrant Or Refugee Applicant (DS-2054e)

The following instructions contain important information about completing this form. Please read all instructions carefully.

Instructions for completing the Medical Examination For Immigrant Or Refugee Applicant (DS-2054e):

These forms can only be completed by panel physicians appointed by the Department of State. Please abide by the following guidelines in completing the forms:

1. Enter the information requested into the appropriate spaces in each window. Please answer all questions. Your answers must be in English and must use English characters, except when you are asked to provide your full name in your native alphabet. Letters like ñ, é, ü, ç are not recognized by the system. Please enter names like Muñoz and Semonin as Munoz and Semonin, unless otherwise asked.
2. Review the information you entered for accuracy.
3. All exams must be performed in accordance with the Centers for Disease Control and Prevention's (CDC) Technical Instructions and their updates.

Begin Resume Medical Form Process:

PAPERWORK REDUCTION ACT: Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: **A/GIS/DIR, Room 2400 SA-22, U.S. Department of State, Washington, DC 20522-2202**

CONFIDENTIALITY STATEMENT: AUTHORITIES: The information asked for on this form is requested pursuant to Section 212(a) and 221(d) and as required by Section 222 of the Immigration and Nationality Act. Section 222(f) provides that the records of the Department of State and of diplomatic and consular offices of the United States pertaining to the issuance and refusal of visas or permits to enter the United States shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of such records may be made available to a court provided the court certifies that the information contained in such records is needed in a case pending before the court. PURPOSE: The U.S. Department of State uses the facts you provide on this form primarily to determine your classification and eligibility for a U.S. immigrant visa. Individuals who fail to submit this form or who do not provide all the requested information may be denied a U.S. immigrant visa. Although furnishing this information is voluntary, failure to provide this information may delay or prevent the processing of your case. ROUTINE USES: If you are issued an immigrant visa and are subsequently admitted to the United States as an immigrant, the Department of Homeland Security will use the information on this form to issue you a Permanent Resident Card, and, if you so indicate, the Social Security Administration will use the information to issue a social security number. The information provided may also be released to federal agencies for law enforcement, counterterrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other federal agencies who may need the information to administer or enforce U.S. laws.

Medical Examination For Immigrant Or Refugee Applicant (DS-2054e)

Classification

Check all boxes that apply.

These items cannot be selected together:
Class A Syphilis untreated / Class B Syphilis (with residual defect) treated within the last year
Class A Hansen's Disease / Class B Hansen's Disease options
Class B Hansen's Disease multibacillary / Class B Hansen's Disease paucibacillary
Class B1 Pulmonary / Class B1 Extrapulmonary / Class B2
Class A when TB active / All other classes (except B Other)

No apparent defect, disease, or disability (see DS-3025e, DS-3026e & DS-3030e)

Class A Conditions (from DS-3026e)

TB, active, infectious (Class A, from DS-3030e)

Syphilis, untreated

Chancroid, untreated

Gonorrhea, untreated

Granuloma inguinale, untreated

Lymphogranuloma venereum, untreated

Hansen's disease, untreated multibacillary

Addiction or abuse of specific substance

Any physical or mental disorder (including other substance-related disorder) with harmful behavior or history of such behavior likely to recur

Class B Conditions (from DS-3030e)

Syphilis (with residual defect), treated within the last year

Hansen's disease, treated, multibacillary Treatment: Partial Completed

Hansen's disease, paucibacillary Treatment: None Partial Completed

Sustained, full remission of addiction or abuse of specific substances

Any physical or mental disorder (excluding addiction or abuse of specific substance but including other substance-related disorder) without harmful behavior or history of such behavior unlikely to recur

Class B1 TB, Pulmonary

No treatment

Completed treatment (Check all that apply and attach all laboratory and DOT documents)

By panel physician

By non-panel physician

Initial smear positive

Initial culture positive

Pre-treatment culture and DST results performed/available

Pre-treatment culture and/or DST results not performed/available

Class B1 TB, Extrapulmonary

Anatomic Site of Disease:

Treatment: No treatment Current treatment Completed treatment

Class B2 TB, LTBI Evaluation

Test for TB infection positive:

TST mm

DS-2054e: Signature Page

Displayed for all users requiring the use of the 2054e form. Only users logged in as a Panel Physician can sign the page.

The screenshot shows the 'Medical Examination For Immigrant Or Refugee Applicant (DS-2054e)' page. At the top, there is a navigation bar with 'Home', 'Contact Us', 'Help', and 'Sign Out'. Below this is the U.S. Department of State logo and the text 'U.S. DEPARTMENT of STATE CONSULAR ELECTRONIC APPLICATION CENTER'. A progress bar shows 'COMPLETE', 'PHOTO', 'REVIEW', and 'SIGN'. The main heading is 'Sign and Certify'. A 'Sign And Certify' button is visible. A 'Help: Navigation Buttons' section explains that clicking on buttons above accesses previously entered data. The main content area contains instructions: 'Read the following information carefully before dating, and electronically signing the form.' It states that the form is ready to be signed and that the user, as a Panel Physician, must sign electronically. A timestamp reads 'Thursday, October 28, 2010 - 8:04:48 AM EST'. There are input fields for 'E-Signature', 'Enter your password:', and 'Enter the code below, as shown:'. A large 'SAMPLE' watermark is overlaid on the page. A 'Sign Form' button is at the bottom of the main content area. The footer contains a copyright notice and links for 'Copyright Information', 'Disclaimers', and 'Paperwork Reduction Act and Confidentiality Statement'.

- The form cannot be signed unless the 3030, 3025, and 3026 have been signed.

DS-2054e: Signature Page

Displayed after the panel physician has signed the 2054e form.

The screenshot shows the DS-2054e Signature Page interface. At the top, there is a navigation bar with links for Home, Contact Us, Help, and Sign Out. Below this is the U.S. Department of State Consular Electronic Application Center logo. The main navigation bar includes buttons for COMPLETE, PHOTO, REVIEW, and SIGN. The current page title is "Medical Examination For Immigrant Or Refugee Applicant (DS-2054e)" and the sub-header is "Sign and Certify". A "Unsign" button is visible in the top right. On the left, there is a "Sign And Certify" button and a "Help: Navigation Buttons" section with instructions: "Click on the buttons above to access previously entered data." The main content area displays the message: "You have successfully signed the form." Below this message, it says "Click 'Continue' to return to Summary page." and provides a "Continue" button. At the bottom, there is a footer with a logo and text: "This site is managed by the Bureau of Consular Affairs, U.S. Department of State. External links to other Internet sites should not be construed as an endorsement of the views contained therein." Links for Copyright Information, Disclaimers, and Paperwork Reduction Act and Confidentiality Statement are provided.

Chest X-Ray And Classification Worksheet (DS-3024e)

Getting Started

NOTE: If there is no activity for 20 minutes or more in the process of completing this online application, your session will expire and some data might be lost. Data entered will be saved as you advance through the application by clicking the Next button. However, data on the current page will be lost if there is no activity for 20 minutes.

Click the button below to begin the Chest X-Ray And Classification Worksheet (DS-3024e)

The following instructions contain important information about completing this form. Please read all instructions carefully.

Instructions for completing the Chest X-Ray And Classification Worksheet (DS-3024e)

These forms can only be completed by panel physicians appointed by the Department of State. Please abide by the following guidelines in completing the forms:

1. Enter the information requested into the appropriate spaces in each window. Please answer all questions. Your answers must be in English and must use English characters, except when you are asked to provide your full name in your native alphabet. Letters like ñ, é, ú, ç are not recognized by the system. Please enter names like Muñoz and Semonin as Munoz and Semonin, unless otherwise asked.
2. Review the information you entered for accuracy.
3. All exams must be performed in accordance with the Centers for Disease Control and Prevention's (CDC) Technical Instructions and their updates.

PAPERWORK REDUCTION ACT: Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: **A/GIS/DIR, Room 2400 SA-22, U.S. Department of State, Washington, DC 20522-2202**

CONFIDENTIALITY STATEMENT: **AUTHORITIES:** The information asked for on this form is requested pursuant to Section 212(a) and 221(d) and as required by Section 222 of the Immigration and Nationality Act. Section 222(f) provides that the records of the Department of State and of diplomatic and consular offices of the United States pertaining to the issuance and refusal of visas or permits to enter the United States shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of such records may be made available to a court provided the court certifies that the information contained in such records is needed in a case pending before the court. **PURPOSE:** The U.S. Department of State uses the facts you provide on this form primarily to determine your classification and eligibility for a U.S. immigrant visa. Individuals who fail to submit this form or who do not provide all the requested information may be denied a U.S. immigrant visa. Although furnishing this information is voluntary, failure to provide this information may delay or prevent the processing of your case. **ROUTINE USES:** If you are issued an immigrant visa and are subsequently admitted to the United States as an immigrant, the Department of Homeland Security will use the information on this form to issue you a Permanent Resident Card, and, if you so indicate, the Social Security Administration will use the information to issue a social security number. The information provided may also be released to federal agencies for law enforcement, counterterrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other federal agencies who may need the information to administer or enforce U.S. laws.

- Before signing, verify that the applicant's age is still below 15 if the adult checkbox was not selected.
- The radiologist must sign the form before the panel physician can sign the form.

DS-3024e: Signature Page

Displayed after the panel physician has signed the 3024e form.

The screenshot shows the 'SIGN' step of a web application. At the top, there is a navigation bar with 'Home', 'Contact Us', 'Help', and 'Sign Out' links. Below this is a header for the 'U.S. DEPARTMENT of STATE CONSULAR ELECTRONIC APPLICATION CENTER'. The main navigation tabs are 'COMPLETE', 'REVIEW', and 'SIGN', with 'SIGN' being the active tab. The page title is 'Chest X-Ray And Classification Worksheet (DS-3024e)' and there is an 'Unsign' button. A sidebar on the left contains an 'E-Sign and Certification' button and a 'Help: Navigation Buttons' section with instructions. The main content area displays a success message: 'You have successfully signed the form.' and a 'Continue' button. At the bottom, there is a footer with a logo and a disclaimer: 'This site is managed by the Bureau of Consular Affairs, U.S. Department of State. External links to other Internet sites should not be construed as an endorsement of the views contained therein.' with links to 'Copyright Information', 'Disclaimers', and 'Paperwork Reduction Act and Confidentiality Statement'.
