**SUPPLEMENTAL INSTRUCTION SHEET FOR COMPLETING  
SPECIAL TAX "Renewal" REGISTRATION AND RETURN, TTB FORM 5630.5R (03/2011)**

**ATTENTION "PERMITTEES"**

If you are no longer engaged in the operations authorized by the Alcohol and Tobacco Tax and Trade Bureau (TTB), and have complied with all requirements for discontinuance (*e.g., disposal of tobacco, filing of final report(s), etc.*), you are authorized to submit your Permit(s) and/or Notices for cancellation with this Special Occupational Tax (SOT) Renewal. Make sure that you have completed Items 11, 15, 16, and 17 on the front of this form. Such cancellation will not affect your right to reapply in the future. However, you may not engage in any operations requiring authorization until you have re-qualified.

If you have a permit, but you **ARE NOT CONDUCTING BUSINESS** for which you have been issued a permit, you **MUST FILE** this tax return and attach a statement saying that you are currently "INACTIVE" and file a new tax return before conducting any operations in this tax year.

For assistance in disposing of tobacco, or if you need other information regarding documents to be filed, please contact the TTB National Revenue Center at 1-877-882-3277, or (513) 684-3334 between 8 A.M. and 5 P.M. EST.

1.
  - Item 1 – Taxpayer Identifying Information** – If any taxpayer identifying information in Block 1 is incorrect, enter only the corrected information in the appropriate block in Section II.
2. Your tax return must contain a valid **Employer Identification Number (EIN)**. A missing or incorrect EIN will result in a delay in the processing of your special tax registration and return form, and in the issuance of a special tax stamp. An EIN is a unique number for business entities issued by the Internal Revenue Service (IRS). You must have an EIN whether you are an individual owner, partnership, corporation, or an agency of the government. If you do not have an EIN, contact your local IRS office immediately to obtain one. If you submit a special tax registration and return form that does not have an EIN, TTB may assign a temporary identification number (beginning with XX) to allow initial processing of the special tax registration and return form. However, a special tax stamp, TTB Form 5630.6A, will not be issued until you have notified us of the issuance of a valid EIN. If your special tax registration and return form has an XX number or an incorrect EIN in Item 1, be sure to enter the correct EIN in Item 9.
 

Do not delay the submission of your special tax registration and return form, and any payment, past the due date pending the receipt of a valid EIN. Submit your EIN by separate correspondence after receipt from the IRS.
3. **Item 2** – Check **only one box** to describe the type of ownership of the business identified in Item 1.
4. **Item 3**, – Reduced Rate Taxpayers and Exempt Activities – **You must declare your eligibility for a reduced rate or special tax exemption each year. The regular rates are used to compute the amounts shown as due on the special tax registration and return form.**
5. Check Item 3 **only** if you are a tobacco products manufacturer or you are the proprietor of a tobacco export warehouse, and the gross receipts for your entire business, from all sources (not just receipts relating to the activity subject to special occupational tax), was less than \$500,000 for the tax year immediately preceding this tax year. If your business meets these conditions, you are eligible for a reduced tax rate and may compute your tax using the appropriate reduced tax rate shown on the enclosed Tax Class Reference Chart. However, if you are a member of a controlled group as defined in section 5061(e) (3) of the Internal Revenue Code, you are not eligible for a reduced rate unless the total gross receipts for the entire group are less than \$500,000.
6. **Item 11** – If you have **discontinued business operations**, check Item 11 and enter the date of discontinuance in the space provided and complete Section V.
7. **Item 12** – If you are the new owner of the business, check Item 12 and complete Sections II, IV and V. Also, correct any errors on the Special Tax "Renewal Registration and Return.
8. **Item 13** – If tax payment is due, the amount shown in Column 13(e), as tax due, is computed by multiplying the number of locations, Column 13(c), by the tax rate, Column 13(d). Add additional tax classes (if necessary) in the vacant spaces provided or attach additional sheets.
9. **Item 14** – If tax payment is due, the total tax due is computed by adding the figures in Column 13(e).
10. If the preprinted information in Section IV is incorrect, line through the incorrect items(s) and write in the correct information alongside the lined out item(s).
