

Description of Major Changes for Form 8809, Application for Extension of Time To File Information Returns (Rev. May 2011)

- All years and dates have been updated as appropriate.
- Entry lines have been renumbered where necessary.
- The *Who may file* section has been deleted. SE:W:CAR:MP:T:I:R
- Form 8935 was added to the title of Publication 1220. SE:W:CAR:MP:T:I:R
- The following changes were made per suggestions from the Information Returns Branch, email 2/9/2011
 1. The form has been revised throughout to indicate that use of the paper form is for one filer and that extensions for more than one filer must be filed through the FIRE system and references to Transmitter and Transmitter Control Code have been removed.
 2. Box 3 has been shaded out and boxes 4, 5, and 6 have been removed.
 3. The *Information Reporting Customer Service Site* section has been added.
