

Narrative of Revisions

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval.

Collection Title: Application and Permit to Handle Hazardous Material

OMB Control No.: 1625-0005

Current Expiration Date: 06/30/2011

Collection Instruments: CG-4260 and Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting and recordkeeping requirements of this collection. The reporting and recordkeeping requirements and the methodology for calculation burden remain unchanged.

The following listed below are revisions to the collection:

- Increase in burden (respondents/responses/burden hours). The increase is due to a change in the number of permit applications (increase in respondents (+6), responses (+18), burden hours (+20)).
- Updates have been provided for burden cost and government cost associated with this collection of information.
- USCG has created printable instructions for this collection of information.
