

OMB Control No. 1670 - NEW
Expiration Date: XXXX/XXXX

Office of Infrastructure Protection Stakeholder Input Survey

The Office of Infrastructure Protection is using this questionnaire to collect your feedback and satisfaction about the services and tools provided by the Office of Infrastructure Protection and to identify opportunities to improve. Please answer the questions based on your experience working with Infrastructure Protection and its products.

This questionnaire is voluntary. Your information will be used for statistical and program improvement purposes and will be kept private to the extent permitted by law.

Paperwork Burden Notice:

The public reporting burden to complete this information collection is estimated at 20-30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and the completing and reviewing the collected information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number and expiration date. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to DHS/NPPD/Office of Infrastructure Protection, Cristin Fullem, Planning and Performance Management Lead, Office of Infrastructure Protection, 5th Floor, 1310 N. Courthouse Dr., Arlington, VA 22201. ATTN: PRA [OMB Control Number].Expiration Date:[Date]

Privacy Notice:

Authority: The Homeland Security Presidential Directive 7 (HSPD-7) authorizes the collection of this information.
Purpose: The primary purpose of this collection is to identify opportunities to improve the services and tools provided by the Department of Homeland Security's Office in Infrastructure Protection.
Routine Uses: The information collected will be used by and disclosed to DHS personnel, contractors and other agents to assist in activities related to Infrastructure Protection improvement processes and services.
