Wording

The B&B interview takes about 35 minutes. Your responses, combined with student record information (such as transcripts and financial aid data), may be used only for statistical purposes and may not be disclosed, or used, in personally identifiable form for any other purpose, unless otherwise compelled by law.

You are one of approximately 1,600 students who will be taking part in this study.

Your participation is voluntary and will not affect any aid or other benefits that you may receive. You may decline to answer any question or stop the interview at any time. The risk of participating in this study is small and relates to data security. However, there are strict confidentiality and security procedures in place.

If you have questions about the study, please let us know.

You may contact the study's director, Melissa Cominole, toll free at 1-866-662-8227. For questions about your rights as a study participant, please contact RTI's Office of Research Protection toll free at 1-866-214-2043.

Or you may review the material by clicking on the links below. To request that the study materials be mailed to you, please call the B&B Help Desk toll free at 1-877-262-4440.

Question Name Wording

B12DEINTRO

Now we would like to ask you about any formal job training you have received from your employer. Formal training is planned in advance and has a structured format and a defined curriculum. Examples include attending a class conducted by an employee of your company, or attending a seminar given by a professional trainer. The training could be held at your workplace held somewhere else, or done on-line.

Item Question Name Wording

B12DE1

In the last 12 months, have you received any of the following types of formal training from your employer? (Mark all that apply. Include training from past as well as current employers.) [We recommend cognitive lab work on the training categories. Existing categories are derived from the BLS 1995 "Survey of Employer Provided Training: Employee Survey"]

Item

Spec Name	Value
Wording	Safety and compliance training , which includes information on company or professional procedures and regulations concerning legal, ethical, and safety issues.
Wording	Basic skills training , which includes training in elementary reading, writing, arithmetic and English language skills (including English as a second language).
Wording	Communication or team training , which includes training to improve communication in the workplace, foster teamwork, or to re-organize work teams and work flow.
Wording	Management training , which includes training in supervising employees and in implementing employment practices, regulations, and policies.
Wording	Position-specific skills training , which includes training to develop the skills you need to do your work, including sales and customer relations training, professional or technical skill development, use of computer applications, and other practical job skills.
