ATTACHMENT B-4

ED*Facts* Data Categories For School Years 2010-11, 2011-12, and 2012-13

INTRODUCTION

This attachment contains the information on the data categories. For each data category, there is a table that provides the definitions, permitted values, and a list of the data groups that use that category.

To make this document easier to use, the first section contains data categories that are used throughout the data set. The later sections are organized into the same topics used in Attachment B-3. Within each section, the data categories are listed in alphabetical order.

The following is an index of the data categories in this attachment.

Categories used throughout the data set

Categories used for the Non-Fiscal Common Core of Data

Categories used for the General Education Provisions Act
