<p>The purpose of this request is to adjust an incorrect total burden estimate and number of respondents approved in the original clearance. The original estimate incorrectly stated 48 responses and 74 total burden hours, although the supporting statement language did correctly state 74 hours per respondent. The correct respondent total is 12 for a total of 888 burden hours (12 x 74 = 888), which appears in this document as an adjustment increase of 814 hours.</p>
