**Re: UGI Utilities, Inc.
Report of the Twenty Largest Electricity Customers
Pursuant to 18 C.F.R. §46.3**

Dear Secretary Bose:

Enclosed on behalf of UGI Utilities, Inc. are an original and three copies of the reports listing the 20 largest purchasers of electric energy through its electric utility system for calendar years 2010, 2009 and 2008. UGI Utilities has notified each identified purchaser that it is included on the list, in accordance with Section 46.3(d) of the Commission's regulations. Copies of these lists are available for public inspection in UGI Utilities' Wilkes Barre, Pennsylvania office.

UGI Utilities hereby respectfully requests the waiver of Part 46.3(a) and any other of the applicable regulations of the Commission in order to accept this report out of time. Good cause exists to grant such a waiver, as the delay resulted from administrative delays in compiling the information.

If you have any questions or need additional information, please contact me at (610) 768-3625.

Very truly yours,
