Comments:

Please provide your parent company's name and address, if applicable. Also, identify the names of any other companies operating under the same parent company (§1054.625(g)(1)(i)).

Include any other comments.

Paperwork Reduction Act Notice

The public reporting and recordkeeping burden for this collection of information is estimated to average 9 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB Number 2060-0369 in any correspondence. Do not send the completed Form 5900-242 to this address.

## **TPEM Notification Data**

## For Part 89 (NRCI) and Part 1039 (NRCI) Only:

For the current Calendar Year, please provide your best estimate of the number of units in each power category that you will produce using the TPEM provisions of Part 89 or 1039. For previous model years, enter the number of units in each power category you have sold under §89.102(d).

### For Part 1054 (Small SI) Only:

Please provide production figures for the period from January 1, 2007 through December 31, 2009, including figures broken down by equipment model and calendar year (\$1054.625(g)(1)(v)). Note that Small SI TPEM provisions are limited to equipment with Class II engines only (\$1054.625(a)).

Number of pieces of equipment with exempted engines that may be sold under § 1054.625:

Calendar year	Equipment Model (Small SI Only)	Power Category (NRCI Only)	Production Volume

### For all equipment manufacturers:

Please provide the name and address of each company you expect to produce engines for the equipment you manufacture under the TPEM provisions of Part 89, 1039, or 1054.

Engine Manufacturer Name	Engine Manufacturer Address
