

Appendix 3: 6th- 9th Grade Student Survey Baseline & First Follow-Up

Revised: June 8, 2011

National Aeronautics and Space Administration

www.nasa.gov

Welcome! Congratulations on being part of NASA's Summer of Innovation. Students who attend this program during summer 2011 are being asked to complete this survey. There are no "right" or "wrong" answers to any of the questions. Your opinion is what is wanted. We estimate that it will take about 10 minutes to complete the questions. Thank you very much for your help!

NASA's Office of Education, and the researchers at Abt Associates and Education Development Center, follow strict rules to make sure that only they will see your answers to this and future surveys for this program, except as required by law. No report will use your name or describe you in any way that could identify you.

If you want to participate in this special study, please turn the page to start answering questions.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. **You can find additional information on this program at <http://www.nasa.gov/offices/education/programs/national/summer/home/index.html>.** You may send comments on our time estimate above to: NASASummerofInnovation@abtassoc.com. **Please send only comments relating to our time estimate to this address, not the completed form.**

1. _____
Print Your First and Last Name
2. What is your birthday? Month: _____ Day: _____ Year: _____
3. What is today's date? Month: _____ Day: _____ Year: _____
4. What grade level will you start in fall 2011? Please check one only.

The next series of questions contain a number of statements about science. You will be asked what you think about these statements. There are no "right" or "wrong" answers. Your opinion is what we want. For this survey, the word "science" covers a broad range of topics, including space and planets, animals and plants, medicine, computer programming, and designing machines and materials.

1=Strongly Disagree, 2=Disagree, 3=Not Sure, 4=Agree, 5=Strongly Agree

For each statement, draw a circle around the specific value corresponding to how you feel about each statement. Please circle only ONE value per statement.

Statement	Strongly Disagree	Disagree	Not Sure	Agree	Strongly Agree
1. I would like to belong to a science club.	1	2	3	4	5
2. I would like to be a scientist when I leave school.	1	2	3	4	5
3. Science is boring.	1	2	3	4	5
4. When I leave school, I would like to work with people who make discoveries in science.	1	2	3	4	5
