NASA IT Summit Survey 2011
Page One

1. Overall, how useful did you find the IT Summit?

○ Very useful

○ Somewhat useful

○ Neutral

○ Not very useful

○ Not at all useful

2. Please rank your top three reasons for attending the IT Summit.

Drag items from the left-hand list into the right-hand list to order them.

Learn about new technologies	→
Learn about new processes and management approaches	→
Present a paper or workshop, or represent my organization	→
Network with NASA professionals	→
Hear from / meet industry leaders	→
Learn about what NASA is doing	→

3. To what extent did the IT Summit meet your expectations?

○ Exceeded my expectations

○ Completely met

○ Mostly met

○ Partially met

○ Did not meet expectations

4. Please indicate the three tracks that interested you the most.

☐ CIOs Speak

☐ Collaboration

☐ Customer Experience

☐ Education

☐ Infrastructure and Operations

☐ Innovation

☐ IT Security

☐ Mission IT – Supporting Science and Engineering at NASA

☐ Project Management Open Government

☐ Organizational Communication

☐ Tomorrow's Workforce

☐ Waves of the Future

---

5. Did you remotely participate in the IT Summit?

◉ Yes

○ No

6. Indicate whether you agree or disagree with the following statements.

	Agree	Disagree
I gained valuable ideas and strageties that I will take back to my organization.	◎	◎
The IT Summit provided a good overview of recent changes and developments in IT.	◎	◎
There were ample opportunities for discussion and interactive activities.	◎	◎

NASA IT Summit Survey 2011
Thank You!

Thank you for taking our survey. Your response is very important to us.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 20 minutes to read the instructions, gather the facts, and answer the questions. You can find additional information on the Summit at http://www.nasa.gov/offices/ocio/itsummit/index.html. You may send comments on our time estimate above to: ITSummitSurvey@lists.nasa.gov. Send only comments relating to our time estimate to this address, not the completed form.
