

Conference / Seminar / Tour Registration for Supply Chain 2012

NOTE: Conference registration will close on October 4th for all individuals without a current NASA-issued badge in order to allow time for the processing of temporary badges for visitors to access GSFC during the conference. Registration will continue for those with NASA badges.

There are no fees for the conference, tour or seminar, but all participants (including NASA employees) must register. Space is limited for the GSFC tour and the seminar, which are offered concurrently during the morning of October 18th

Conference registration information will be used as entered (no all caps!) in the form for conference and visitor badges so please ensure that your registration form is accurate, fully completed and submitted. Required fields are marked with an asterisk (*) All those that register will receive confirmation and further conference information via email.

Please contact the [GSFC Supply Chain Management Team](#) or call **301-286-2405** if you have questions.
