The Data Banks are continuously adding new system features and making improvements. The What's New page details recent enhancements and changes to the Data Banks' services.

You are accessing a U.S. Government information system. This information system is provided for U.S. Government authorized use only.

Unauthorized or improper use of this system may result in disciplinary action, as well as civil and criminal penalties. Only specific entities authorized by law may request the disclosure of information from (i.e., query) or submit reports to the National Practitioner Data Bank (NPDB) or the Healthcare Integrity and Protection Data Bank (HIPDB). Any unauthorized individual or organization that attempts to query or file reports with the Data Bank(s) may be subject to fine and imprisonment under Federal statute.

By using this system, you understand and consent to the following:

- At any time and for any lawful Government purpose, the Government may monitor, intercept, and search and seize any communication or data transiting or stored on this information system.
- Any communication or data transiting or stored on this information system may be disclosed or used for any lawful Government purpose.
