

Highly Migratory Species (HMS) – Fishing Vessel Information Required of Dealers for Completion of the HMS Dealer Landing Report

Use of this form is **Optional**. Federal HMS dealers are required by NMFS to submit the information marked with an asterisk * as part of their HMS Landing Reports and this form is provided as a tool to aid them in obtaining this information from the Fishing Vessel. This form is to be completed by fishermen and given to dealers for their reports. A single form should contain no more than one trip's worth of data.

FISHING VESSEL (FV) TRIP INFORMATION:

FV Contact Name: _____

FV Contact Phone: _____

FV Contact email: _____

FV Name*: _____

FV Document # associated with HMS permits*: _____

Date Trip Start*: _____

Date HMS Offloaded*: _____

Trip Number (if applicable)*: _____

| | Thresher, Bigeye | | | Long Lines, Drift | | |

PAPERWORK REDUCTION ACT NOTICE: Reporting of fishing activity via this form is voluntary. Public reporting burden for this collection of information is estimated to average 15 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NMFS, Highly Migratory Species Management Division (F/SF1), 1315 East-West Highway, Silver Spring, MD 20910. It is NOAA policy to preserve the confidentiality of information submitted under this reporting requirement, except that NMFS may release such information in aggregate or summary form, such that individual identifiers are not disclosed (NAO 216-100). Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. OMB Control #0648-0040 Expires 01/31/2014.
