Law Enforcement Officer
MOTOR VEHICLE SAFETY

To: Iowa Law Enforcement Agency
From: Hope Tiesman and Rebecca Heick
Re: Study of motor vehicle safety practices among IA law enforcement officers

Your agency is one of over 100 Iowa law enforcement agencies randomly selected for participation in a state-wide study of motor vehicle safety practices and policies among law enforcement officers. Your participation is extremely important to help us develop the most effective tools to improve officer safety. **We ask that you consider participating in this important study by returning the enclosed self-addressed postcard.**

Your participation is entirely voluntary, but would be greatly appreciated as the responses of your officers represent officers throughout Iowa. By returning this postcard, your agency is agreeing to participate in the study and will distribute surveys to all sworn officers within the agency. Please fill in your name and agency name below:
