Recently you were sent the CDC National Survey of Maternity Practices in Infant Nutrition and Care (mPINC). If you have already completed the web questionnaire or returned the mail survey, please accept our sincere thanks for your participation.

If you have not yet completed the questionnaire, please do so today. Your facility's participation is critical to an accurate assessment of infant feeding practices at intrapartum care facilities in the United States and Territories.

If you have any questions about completing the survey or if you need a copy of the questionnaire, please call Betsy Payn at the mPINC study office at Battelle at 1-800-XXX-XXXX. She will be happy to help you. You can also get information about the survey at www.xxxx.org.

Thanks again for your support on this important research on infant feeding practices.

Public reporting burden of this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC, Reports Clearance Officer, 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-XXXX).
